

The Corporation of the City of North Bay

By-Law No. 2015-30

Comprehensive Zoning By-law

Whereas Section 34 of the *Planning Act*, R.S.O. 1990, c. P.13 provides that the councils of local municipalities may pass by-laws to regulate the use of land and the erecting, location and use of buildings and structures;

And Whereas a new Official Plan for The Corporation of the City of North Bay came into effect on January 6th, 2012;

And Whereas the Council of The Corporation of the City of North Bay wishes to implement the objectives and policies of the new Official Plan;

And Whereas the Council of The Corporation of the City of North Bay has ensured that adequate information has been made available to the public, and has held at least one public meeting on March 23, 2015 after due notice for the purpose of informing the public of this By-law;

And Whereas it is deemed desirable to adopt a new Comprehensive Zoning By-law for the City of North Bay pursuant to Section 34 of the Planning Act R.S.O. 1990, as amended;

And Whereas the Council of The Corporation of the City of North Bay passed Committee Report 2015-13 adopted by Council on April 27, 2015 by Resolution number 2015-192 to approve Zoning By-law 2015-30 as the new Comprehensive Zoning By-law for the City of North Bay;

Now therefore the Council of The Corporation of the City of North Bay hereby enacts as follows:

Section 1 - Interpretation and Administration

1.1 Short Title

1.1.1 The short title of this By-law is The City of North Bay Zoning By-law.

1.2 Effective Date

- 1.2.1 This By-law shall come into force and effect upon the date of passing by **council**.
- 1.2.2 If a notice of appeal of this By-law is filed in accordance with the requirements of s. 34(19) of the *Planning Act*, R.S.O. 1990 c. P. 13, this By-law, or portions thereof, shall come into force and effect when all appeals have been resolved or withdrawn and the By-law, except for those parts or provisions that have been repealed or modified, shall be deemed to have come into force and effect the day the By-law is passed.

1.3 Litigation

- 1.3.1 This By-law does not affect the rights of any part of any land concerned in any action, litigation or other proceeding pending on the date the By-law is passed except to the extent to be determined in the final adjudication of the action, litigation or other proceedings.

1.4 Use of Land Restricted

- 1.4.1 Except as permitted by the *Planning Act* no **building, structure** or land shall be **used**, and no **building** or **structure** shall be hereafter **erected**, placed, structurally altered or enlarged within the limits of the **municipality** except in conformity with this By-law.

1.5 Administration

- 1.5.1 This By-law shall be administered by the Managing Director, Community Services Business Unit, the Zoning Administrator, and other **persons** as **council** may designate from time to time.

1.6 Enforcement

- 1.6.1 No permit for the **use** of land or for the **erection** or **use** of any **building** or **structure** or approval of any application for any Municipal Licence shall be issued or given, where the proposed **building, structure** or **use** would violate any provision of this By-law.

1.7 Entry and Inspection

- 1.7.1 Subject to section 1.7.2, where an **officer** believes on reasonable grounds that any provision of this By-law is being contravened, the **officer** or any **person** acting under his or her instructions may, at all reasonable times and upon producing proper identification, enter and inspect any property on or in respect of which he or she believes the contravention is occurring.
- 1.7.2 An **officer** or any **person** acting under his or her instructions shall not enter any room or place actually used as a **dwelling** without requesting and obtaining the consent of the occupier, first having informed the occupier that the right of entry may be refused and entry made only under the authority of a search warrant.
- 1.7.3 Section 1.7.2 does not apply where the **officer** has obtained a search warrant pursuant to section 49.1 of the *Planning Act*.

1.8 Obstruct

- 1.8.1 No **person** shall obstruct or attempt to obstruct an **officer** or a **person** acting under the **officer's** instruction in the exercise of a power under this section.

1.9 Meaning of "Use"

- 1.9.1 Unless the context otherwise requires, the expression "**use**" or "to **use**" in this By-law includes anything done or permitted by the owner or occupant of any land, **building** or **structure**, directly or indirectly, or by or through any trustee, tenant, servant or agent of the owner or occupant for the purpose of making **use** of the land, **building** or **structure**.

1.10 Number and Gender

- 1.10.1 Words in the singular include the plural and words in the plural include the singular.
- 1.10.2 Gender-specific terms include both sexes and include corporations.

1.11 Wording Order Clarifications

- 1.11.1 Where a defined term in this By-law is reversed, it is done so for the ease and convenience of reading and to keep like terms grouped together. The terms shall be considered to be defined in the same manner. An example of this is '***single detached dwelling***' and '***dwelling, single detached***'.

1.12 Buildings to be Moved

- 1.12.1 No ***building*** shall be moved within the limits of the ***municipality***, except in conformity with this By-law and the Building By-law of the City of North Bay.

1.13 Offences and Penalty

- 1.13 Every person who contravenes any provision of this By-law is guilty of an offence against the Planning Act and on conviction is liable to the penalties as provided for in the Planning Act.

1.14 Validity

- 1.14.1 If any provision of this By-law is for any reason declared invalid by a court of competent jurisdiction, all of the remaining provisions of the By-law shall remain in full force and effect until repealed and the declaration shall not affect the validity of the By-law as a whole.

1.15 Repeals

- 1.15.1 Zoning By-law 28-80 and all amendments thereto are hereby repealed upon this By-law coming into effect save and except By-law 2015-18 and By-law 2015-37.

1.16 Variances

- 1.16.1 All minor variance applications deemed complete under Section 45 of the *Planning Act* prior to the enactment of this By-law and eventually approved pursuant to Section 45 of the *Planning Act* or its predecessor, continue to apply and remain in force as if

they are variances to this By-law for lawfully ***existing lots, buildings, and structures.***

- 1.16.2 Previous City of North Bay Zoning By-laws, including their definitions, shall apply to assist in the interpretation of any minor variances referred to in section 1.16.1 in the context of this By-law.

1.17 Transitional Period

- 1.17.1 Any application, to be evaluated under the City of North Bay Zoning By-law, which is received and deemed complete during the transitional phase of this By-law, shall be evaluated under both the Zoning By-law 28-80 as well as this Zoning By-law 2015-30. The application must conform and comply with all regulations and provisions in both By-laws.
- 1.17.2 Despite section 1.15, this By-law does not apply to prevent the issuance of a building permit for a project for which a complete application for a building permit, Committee of Adjustment approval, site plan control approval, part lot control approval, approval of draft plan of subdivision or draft plan of condominium, or subdivisions or condominium agreement, has been received on or after January 1, 2012 and on or prior to May 11, 2015.
- 1.17.3 For the purpose of section 1.17.2, “complete application” means an application which could have been approved or granted on May 11, 2015 had it been processed or disposed of on that day.
- 1.17.4 Where a project qualifies under section 1.17.2, the building permit for that project may be issued, or the Committee of Adjustment approval, the site plan control approval, the part lot control approval, subdivision or condominium agreement, and the approval of the draft plan of subdivision or draft plan of condominium may be granted if the project in question complies with the provisions of the applicable zoning by-law as in effect on May 11, 2015.
- 1.17.5 Nothing in this By-law applies so as to continue the exemption provided by this section beyond the issuance of the permit upon which the exemption is founded; and in no case does the exemption mentioned in section 1.17.4 continue beyond the repeal of this subsection.

- 1.17.6 Once the permit, agreement or approval under section 1.17.2 has been granted, the provisions of this By-law apply to the land in question.
- 1.17.7 Section 1.17.2 through to 1.17.6 inclusive are repealed 3 years from the date of passing of this By-law.

1.18 Zones

1.19 Urban Area Zoning Schedules

- 1.19.1 The Urban Area of the City of North Bay is defined by the settlement area boundary as defined by the City of North Bay Official Plan and as represented on Schedule “A” of this By-law.

1.20 Rural Area Zoning Schedules

- 1.20.1 The **rural area** of the City of North Bay is defined as the rest of the lands not defined in Schedule “A” that are within the Municipal Boundary as defined by the City of North Bay Official Plan.

1.21 Defined Zone Areas

- 1.21.1 The extent and boundaries of all **zones** are as shown on Schedules "A", "B" and "C", and all the **zones** are hereby defined as areas to which the provisions of this By-law shall apply. The area enclosed by any **zone** boundaries, includes **streets**, rights-of-way, and watercourses.

1.22 Zone Boundary

- 1.22.1 When determining the boundary of any **zone** as shown on any Schedule forming part of this By-law, the following provisions

shall apply:

- 1.22.1.1 A boundary indicated as following a **highway, street** or **lane** shall be the centreline of the **highway, street** or **lane**;
- 1.22.1.2 A boundary indicated as following a watercourse, or the **right-of-way** of a railway or an electrical, gas or oil transmission line shall be the centreline of the watercourse or **right-of-way**;
- 1.22.1.3 A boundary indicated as following the natural shoreline shall follow the natural shoreline, and in the event of a change in the natural shoreline, the boundary shall be construed as moving with the actual natural shoreline;
- 1.22.1.4 A boundary indicated as approximately following **lot lines** shown on a Registered Plan of Subdivision, or Reference Plan, or Township **lot lines** shall follow the **lot lines**;
- 1.22.1.5 Where a boundary is indicated as approximately parallel to a **street line** or other feature, indicated in Sections 1.22.1.1, 1.22.1.2 and 1.22.1.3 above, and the distance from the **street line** or other feature is not indicated, and Section 1.22.1.4 above is not applicable, the boundary shall be construed as being parallel to the **street line** or other feature, and the distance therefrom shall be determined according to the scale shown on the appropriate Schedule; and
- 1.22.1.6 A boundary indicated as following the limits of the **municipality** shall follow those limits.

1.23 Closed Street, Lane, or Right-of-way

- 1.23.1 In the event a dedicated **street** or **lane** or **right-of-way** shown on any Schedule forming part of this By-law is closed, the property formerly in the **street** or **lane**, or **right-of-way** shall be included within the **zone** of the adjoining property on either side of the closed **street** or **lane**, or **right-of-way**. If a closed **street** or **lane**, or **right-of-way** is the boundary between two or more different **zones**, the new **zone** boundary shall be the former centreline of the closed **street** or **lane**, or **right-of-way**.

Section 2 - Definitions

For the purposes of this By-law the definitions and interpretation given in this Section shall govern:

Abutting or abut:

Having a common **lot line** in any **yard** with an adjacent property, **street**, or other feature.

Accessory:

A **use, building** or **structure** that is detached from the **main building** and is naturally and normally incidental, subordinate and exclusively devoted to the **principal use, building** or **structure** located on the same **lot**. An **accessory structure** does not include a **structure** made wholly, or in a large part, of fabric.

A strip of vegetated land devoted exclusively to the provision of visual amenity and barrier between adjacent **uses** which lessens the incompatibility between different land **uses**.

Builder's supply yard:

A business that provides building supplies for **renovation** and construction projects to contractors and other people. The primary focus of a **builder's supply yard** is the bulk sale of raw materials associated with building and construction. This type of establishment does not typically sell smaller home decorating and minor repair supplies that could be found in a **home improvement centre**.

Building:

A **structure**, whether permanent or temporary, with walls, a floor, or a roof, or part thereof, **used** or intended to be **used** for shelter, accommodation or enclosure of **persons**, animals and/or goods.

Building line:

Any line regulating the position of a **building** or **structure** on a **lot** relative to the property lines or established by the **setback** regulations of this By-law.

Bulk sales establishment:

The **use** of land, **structure** or **building** for the purpose of buying and selling fuels, building, and **landscaping** materials, ice, or other commodities, but does not include any manufacturing, assembling, or processing **uses**.

Camping establishment:

A commercial operation **used** for a range of overnight camping experiences, from tenting to serviced trailer sites, including **accessory** facilities which support the **use** and requirements of the clientele, such as administration **offices**, laundry facilities, or a **convenience store**.

Card lock gas facility:

A gas dispensing facility that is not open to the general public, and is generally directed towards transport trucks and other larger **vehicles** and equipment consuming a lot of fuel. These are generally not manned by any employees on a regular basis and are activated through a card or pin system established by the operator.

Carport:

A covered **structure attached** to the wall of the **main building** for the purpose of shielding a **vehicle** and a portion of the **driveway** and is often supported by piers or columns so that it is open on two or more sides. A **carport** does not include any **structure** made of fabric.

Cemetery:

Land that is set apart or **used** as a place for interment of human remains in accordance with *Funeral, Burial and Cremation Service Act, 2002*, S.O. 2002, C. 33 and amendments thereto. A **cemetery** may include **accessory uses** such as a mausoleum, crematorium, and columbarium.

Commercial agricultural use:

The cultivation of crops and animal husbandry for profit or commercial purposes including the packaging or production incidental to those **uses**, but not including the commercial slaughter, processing, or packaging of animals. This may include, but is not limited to, apiaries, greenhouses and nurseries, commercial fruit and vegetable production, forestry related operations, poultry or game farms, fish hatcheries, and operations including livestock or horses and any **buildings** or **structures** directly associated with these **uses**.

Commercial parking lot:

An open **lot** or parking **structure**, other than a **street**, **used** for the temporary parking of two or more **vehicles** for profit or gain.

Commercial motor vehicle:

A **vehicle** that is **used** to serve the needs of a commercial operation in some way. A **commercial motor vehicle** may include but is not limited to a bus, trailer, utility van, cube truck, tow truck, tilt and load style truck, dump truck, tractor trailer, semi-trailer, ambulance, or hearse.

Common wall:

A vertical wall separating two **dwelling units** between the top of the footings to the underside of the roof **deck**, and shall be mutually common to both **dwelling units**.

Community centre:

A community facility designed to provide residents with a place to go for social activities and planned events for varying periods of time, but limited

to the daytime hours only. A **community centre** is designed to serve the needs of the immediate neighbourhood.

Conservation area:

An area that is protected for the purpose of conservation of natural land features either privately or for the enjoyment of the public. A **conservation area** may be privately held or may be maintained and stewarded by a public organization such as the North Bay-Mattawa **Conservation Authority**.

Conservation authority:

The Government body responsible for the administration of a **conservation area** as established and defined by the *Conservation Authorities Act*, R.S.O. 1990, c. C.27 and amendments thereto. In the City of North Bay, this body is the North Bay-Mattawa **Conservation Authority**.

Contractor's yard:

An area with or without **buildings** or **accessory structures used** for the storage of materials and equipment related to the construction industry where a contractor may perform shop or assembly work, but shall not include a **salvage yard**.

Convenience store:

An establishment that is primarily engaged in providing the sale of everyday personal items of use or necessity to the local area. Some of these items may include, but are not limited to, food and snacks, beverages, pharmaceutical drugs, tobacco products, lottery items, and newspaper and magazine products.

Council:

The **council** of The Corporation of the City of North Bay.

Dwelling, townhouse (stacked):

A **building**, or multiple **buildings** that are divided by **common walls** into units that are stacked on top of each other, as well as connected to the unit beside with all units having independent private entrances. A **stacked townhouse** may front onto a municipal **roadway** as a **street front townhouse** would, or may front onto a private **driveway** as a **cluster townhouse** would.

Dwelling, townhouse (street front):

A **building**, or multiple **buildings** that are divided vertically by **common walls** into three or more **dwelling units**, each of which has independent entrances to a **front and rear yard** immediately **abutting** the front and rear walls of each **dwelling unit**, with each unit fronting onto a municipal **roadway**.

Dwelling, triplex:

A **building** that is divided into three **dwelling units**, each of which has an independent entrance either directly to the outside or through a common vestibule, but shall not include a **townhouse**.

Dwelling unit:

A room or suite of habitable rooms which:

- a) Is located in a **building**;
- b) Is **used** or intended to be **used** by one or more **persons** as a single, independent and separate household unit;
- c) Contains food preparation and sanitary facilities for the exclusive common **use** of the occupants; and
- d) Has a means of egress directly to the outside of the **building** or through a common vestibule.

Easement:

A vested or acquired right by statute or registered agreement at The Land Registry Office to **use** land, other than as a tenant, for a specific purpose with the right being held by someone other than the registered owner.

Efficiency unit:

A **dwelling unit** consisting of one main room and some combination of bathroom, kitchen, closets, dining alcove and hall space.

Erect:

To build, to construct, to reconstruct, to alter, to enlarge or to relocate and, without limiting the generality of the foregoing, includes any associated physical operation such as excavating or grading, or structurally altering any **existing building** or **structure** by an addition, deletion, enlargement, or extension.

Established building line:

The average distance from the **street line** of **existing buildings** in any block where more than half the frontage has been built upon at the date of the date this By-law came into effect.

Exhibition building:

A **building** built for manufacturing, warehousing or other industrial purposes, or an arena **used** for the purpose of exhibiting and or the demonstrating of trades, goods and services.

Existing:

When **used** in relation to a **use, building or structure** means legally present on or before the day this By-law came into effect.

Farmer's market:

The **use** of lands, **buildings** or **structures** or part thereof, by farmers and other vendors, for the purpose of selling agricultural, horticultural food products and crafts to the general public and activities associated with the above **uses**.

Financial institution:

An establishment which provides money management services directly to the public, including a bank, trust company, or a credit union.

Flea market:

A **building** in which stalls or sales areas are set aside and rented or otherwise provided, and which are intended for **use** by various unrelated individuals to sell articles that are either homemade, home grown, handcrafted, old, obsolete, or antique, and may include the selling of goods at retail by businesses or individuals who are generally engaged in retail trade.

Floor area:

The space of any **storey** of a **building** between exterior walls and required fire walls, including the space occupied by interior walls and partitions. A fire wall located on a property line separating two properties under separate ownership shall, for the purpose of this definition, be considered an exterior wall.

Floor area, gross:

The sum of all **floor areas** above **grade**, except in the case of an **apartment building** where part of the area of the **basement** is **used** for a **dwelling unit(s)**, in which case the area constitutes part of the **gross floor area** measured between the internal faces of the exterior walls of the **building** at the level of each floor, including any part of the **building** above **grade used** for the storage or parking of motor **vehicles**, locker storage and laundry facilities, but excluding any part of the **building used** for mechanical purposes which are an integral part of the **building**.

Freight container:

Standardized reusable steel box that is generally associated with the overseas shipping industry.

Funeral home:

A commercial establishment providing funeral supplies and services to the public. This may include a crematorium and associated services as outlined by Ontario's *Funeral, Burial, and Cremation Services Act, 2002*.

Garage, attached:

A **private garage**, as part of a **dwelling unit**, which is on the same **lot** and is **attached** to the **main building**.

Garage, private:

An **accessory building** either separate from or **attached** to the **main building**, which is designed or **used** for the storage of one or more private **vehicles** and the storage of household equipment, incidental to residential occupancy.

Garage, temporary:

A temporary prefabricated shelter usually constructed with a metal, wood or plastic frame and covered with a tarpaulin or other similar type of fabric or plastic cover, which is designed or used for the storage of vehicles or other equipment **accessory** to a residential use only.

Garden centre:

The **use** of lands, **buildings** or **structures** or part thereof for the purpose of buying or selling lawn and garden equipment, furnishings, supplies and nursery stock but does not include the bulk sales of **landscaping** products or unpackaged **landscaping** materials. A **garden centre** may sell produce as well as operate a plant/flower nursery as **accessory uses**.

Gas bar:

The **use** of lands, **buildings**, or **structures** where **vehicle** fuel or lubricants are offered for sale, but where no provision is made for the repair or maintenance of **vehicles**. For the purpose of this definition, a **gas bar** may include a **convenience store** or an **automobile washing establishment** as an **accessory use**.

Generator:

An emergency or stand-by machine that runs on fuel, battery or other power source that generates and converts mechanical energy into electrical energy, and is not **used** as the main source of power.

Golf course:

A public or private area operated for the purpose of playing golf including a par three **golf course** and including ancillary **uses** such as a driving range, a miniature **golf course**, and a clubhouse.

Government lands and buildings:

Lands or **buildings used** by a municipal, provincial, or federal government agency for the purpose of carrying out their operations and business.

Grade, established:

With reference to a **building**, the average elevation of the finished surface of the ground where it meets the exterior of all sides of the **building**, and when **used** with reference to a **structure**, means the average elevation of the **established grade** of the ground immediately surrounding the **structure**, and, when **used** with reference to a **street, road** or **highway**, will refer to the elevation established by the **municipality** or other designated authority.

Grocery store:

A **building**, or a portion of a **building**, where food and other household items are kept for sale at retail to the general public and which operates on a self-service, cash and carry basis and may include facilities for parcel pick-up.

Group home type 1:

A single housekeeping unit in which up to 4 residents (excluding the staff or receiving family) live as a family under responsible supervision consistent with the requirements of its residents, and the **group home** is licensed or approved under Provincial or Federal Statute.

Group home type 2:

An occupancy in which up to 8 patients (excluding the staff or receiving family) live and receive treatment under responsible supervision consistent with the requirements of its residents, and the **group home** is licensed or approved under Provincial or Federal Statute. A **group home type 2** may also include a **hospice**.

Group home type 3:

A residence maintained and operated primarily for **persons** who have been placed on probation under the provisions of the *Children's Law Reform Act*, R.S.O. 1990, c. C.12, the *Criminal Code*, R.S.C. 1985, C. C-46, the *Youth Criminal Justice Act*, S.C. 2002, c. 1, or any Act passed to replace the foregoing Acts, or **persons** who have been released on parole under the provisions of the *Ministry of Correctional Services Act*, R.S.O. 1990, c. M.22 or *Corrections and Conditional Release Act*, S.C. 1992, c. 20, or any Act that has been passed to replace the foregoing Acts, or **persons** who have been charged under the *Youth Criminal Justice Act* but who have been placed in open or secure custody. A **group home type 3** may include a **group home type 1** or a **group home type 2**.

Height of building:

The vertical distance between the **established grade** at the base of a **main wall** of the **building** and:

- a) The highest point of the roof surface, if a flat roof;

- b) The deck line, if a mansard roof;
- c) The midpoint between the eaves and the ridge, if a hip, gable, shed or gambrel roof; or
- d) The highest point of the **building** or **structure** in all other cases.

Highway:

A public way for purposes of vehicular or pedestrian travel, including the entire dedicated area, with or without provision made for curbs, sidewalks and/or paved gutters and owned and maintained by a **public authority** or Ministry of Transportation.

Hobby farm:

A parcel of land which includes the **principal** residence and **barns**, sheds, pens and similar **accessory buildings** which are **used** for the sole purpose of the **persons** residing at the residence and are not **used** for **commercial agricultural uses**.

Home based business:

A commercial undertaking carried on for gain or profit which is **accessory** and subordinate to the **principal** residential **use** of the **dwelling unit**.

Home improvement centre:

A commercial business that focuses on the sale of **building** supplies and materials, as well as home finishing and decorating items, which would be **used** by an individual for work in and around their home. A **home improvement centre** will focus primarily on individual consumers for their own personal project needs.

Hospice:

A care home, that is generally smaller in size than most medical facilities or **retirement homes**, that provides assistance and care for people who are often very sick or terminally ill.

Hospital:

A **hospital** as defined by the *Public Hospitals Act*. R.S.O. 1990, C. P.40, the *Mental Health Act*, R.S.O. 1990, c. M.7, or the *Private Hospitals Act*. R.S.O. 1990, c. P.24, as amended, or any act passed to replace the foregoing.

Hotel:

A commercial establishment **used** for temporary rental sleeping accommodations for travellers governed under the *Innkeepers' Act* R.S.O. 1990, c. I.7. A **hotel** may offer other facilities on premises for the benefit of their customers that are ancillary to the main **use**, such as **personal service establishments, restaurants, retail stores** or commercial recreation. For the purposes of this By-law, a **hotel** shall also include a motel but shall not include any residential **uses**, such as an **efficiency unit, a boarding, lodging or rooming house** or a **mobile home park**.

Industrial class 1:

Basic industrial **uses** where such operations do not involve the emission of air or water pollutants that exceed the standards set by the appropriate Provincial Regulatory Authority. This type of industrial **use** usually occurs solely inside a **building** and consists of the manufacturing, assembling, processing, warehousing or other treatment of goods, substances or things including, but not limited to, food and beverage processing, **laboratory** and/or research and development facility, value added wood products, electronics repair and assembly, and auto parts suppliers.

Industrial class 2:

General industrial **uses** where such operations do not involve the emission of air or water pollutants that exceed the standards set by the appropriate Provincial Regulatory Authority. General industrial **uses** commonly consist of the manufacturing, assembling, processing, warehousing or other treatment of goods, substances or things including, but not limited to, food and beverage, rubber, leather, textiles, value added wood products, transportation and communication industries, or similar **uses** such as construction yards, machining and metal fabrication, recycling, industrial equipment manufacturing, sales, service and storage. This does not include forest product industries, refineries, mills, foundries, chemical plants, mines, **pits**, quarries, oil wells or similar heavy industries.

Industrial class 3:

Heavy industrial **uses** where such operations do not involve the emission of air or water pollutants that exceed the standards set by the appropriate Provincial Regulatory Authority. Heavy industrial **uses** are generally incompatible with most other land **uses** and consist of the manufacturing, assembling, processing, warehousing or other treatment of goods, substances or things including, but not limited to, refineries, foundries,

chemical plants, or mills. This does not include a mine, ***pit, quarry***, or an oil well.

Industrial equipment sales, service, and leasing establishment:

A commercial establishment within a ***building*** and/or ***lot used*** for the display, sale or lease of new or ***used*** industrial equipment. This may also include the sale of accessories including fluids, tires, lights, parts, and other related products as well as services including cleaning, polishing, greasing, and other related maintenance services. This establishment may also include a ***body shop***, as part of the same ***building*** that can be ***used*** to repair industrial equipment as an ***accessory use*** but may not be ***used*** for motor ***vehicles*** or ***recreational vehicles***.

Institutional use:

The ***use*** of land, ***buildings*** or ***structures*** for a public purpose including ***schools, places of worship, community centres***, and ***hospitals***.

Kennel:

A place where dogs are bred and raised, sold, kept for sale, or boarded but does not include a ***veterinary establishment***.

Laboratory:

A ***building***, or part thereof, ***used*** for research, testing, evaluation and development.

Landscaping:

Any combination of vegetation including trees, shrubs, flowers, grass or other horticultural elements, decorative stonework, paving, screening or other architectural elements, all of which are designed to enhance the visual amenity of a property, to regulate drainage, and to provide a screen to mitigate any objectionable aspects that may detrimentally affect adjacent land.

Lane:

A public thoroughfare which affords only a secondary means of access to ***abutting lots*** and which is not intended for general traffic circulation.

Library, museum, or art gallery:

Any ***building*** or area to be ***used*** for the preservation, collection, and display of significant works of artistic, historical, scientific, musical, sporting, or other worth as well as any ***offices*** or other facilities in support of, or ***used*** in connection with, ***the library, museum, or art gallery***. This also includes any area for the purpose of containing printed, electronic, and pictorial material as well as all supporting facilities.

Limited agricultural:

A basic agricultural **use** that is to have no **buildings** or **structures** as part of the **use** and to have no added fertilizers or other supplements and have only very limited modification to the landscape. This **use** shall not incorporate animals in any way.

Loading space:

An area of land which is provided and maintained upon the same **lot** or **lots** upon which the main **use** is located, for the temporary parking of one or more **commercial motor vehicles** while merchandise or materials are being loaded or unloaded from the **vehicles**.

Lot:

Any parcel of land which is a separate parcel of record or is shown as a whole **lot** on a registered Plan of Subdivision, including any part of which is subject to an **easement** or **right-of-way**.

Lot area:

The total horizontal area within the **lot lines** of a **lot**. (See Figure 2.1)

Lot coverage:

The percentage of **lot area** covered by all **buildings**, main and **accessory**, above ground level. Where a property has more than one zone the **lot coverage** in each **zone** applies and shall be deemed to apply only to that portion of the **lot** that is located within the **zone**. (See Figure 2.1)

Lot depth:

The perpendicular distance measured in a horizontal plane between the front and rear **lot lines**. Where these lines are not parallel, it shall be the length of a line joining the mid-points of the **front and rear lot lines**. (See Figure 2.1)

Lot frontage:

The horizontal distance between the **side lot lines** measured along the **front lot line**, except: (See Figure 2.1) (See Figure 2.2)

- a) Where the **front lot line** is not perpendicular to the **side lot lines**, which are parallel, **lot frontage** means the horizontal perpendicular distance between the **side lot lines**;
- (b) Where the **front lot line** is not a straight line and the side lot lines are not parallel, the **lot frontage** is to be measured from a line 6m back and parallel to the chord of the **lot frontage**, and for the purpose of this paragraph, the chord is a straight line joining the two point where the **side lot lines** intersect the **front lot line**. [amended by By-law 2016-25]

- c) Where the **lot abuts** a shore **road** allowance that has not been closed, the **lot frontage** is the distance along the shortest line joining points where the **side lot lines** intersect the inner limit of the shore **road** allowance;
- d) Where there are no **side lot lines**, such as in the case of a peninsula, **lot frontage** is the greatest distance between any two points on the shoreline, or in the case where the shore **road** allowance has not been closed, the inner limit of the shore **road** allowance and any point on the **rear lot line**; and
- e) Where there are no **side or rear lot lines**, such as in the case of an island **lot frontage** is the greatest distance measured between any two points on the shoreline, or in the case where the shore **road** allowance has not been closed, the inner limit of the shore **road** allowance.

Lot frontage, shoreline property:

Where the **front lot line abuts** a lake, the **lot frontage** is considered the straight line between the two points where each **side lot line** meets the water's edge. The **setback** shall still be measured from the water's edge.

Lot line:

Any boundary of a **lot**. (See Figure 2.4)

Lot, corner:

A **lot** bounded on two or more sides by one or more public **roads**, provided that the angle of intersection of the public **roads** is not more than 135 degrees. (See Figure 2.3)

Lot, interior:

A **lot** other than a corner **lot** or a **through lot**. (See Figure 2.3)

Lot, through:

A **lot**, with the exception of a **corner lot**, that connects two more or less parallel **streets**. (See Figure 2.3)

Lot line, flankage:

The longer **lot line** which **abuts** the **street** on a **corner lot**. (See Figure 2.4)

Lot line, front:

The **lot line** that **abuts** the **street** except that: (See Figure 2.4)

- a) In the case of a **corner lot**, the shorter **lot line** that **abuts** the **street** shall be deemed to be the **front lot line**;

- b) In the case of water frontage, the **lot line** that **abuts** the body of water, being the surveyed normal water's edge, shall be deemed to be the **front lot line** and the **lot line** that **abuts** a **road** to the rear of the **lot** shall be considered the **rear lot line**; and
- c) In the case of a **through lot**, the shorter **lot line** that **abuts** the **street** shall be deemed to be the **front lot line**.

Lot line, rear:

The **lot line** furthest from or opposite to the **front lot line**. (See Figure 2.4)

Lot line, side:

A **lot line** other than a front or **rear lot line**. (See Figure 2.4)

FIGURE 2.1

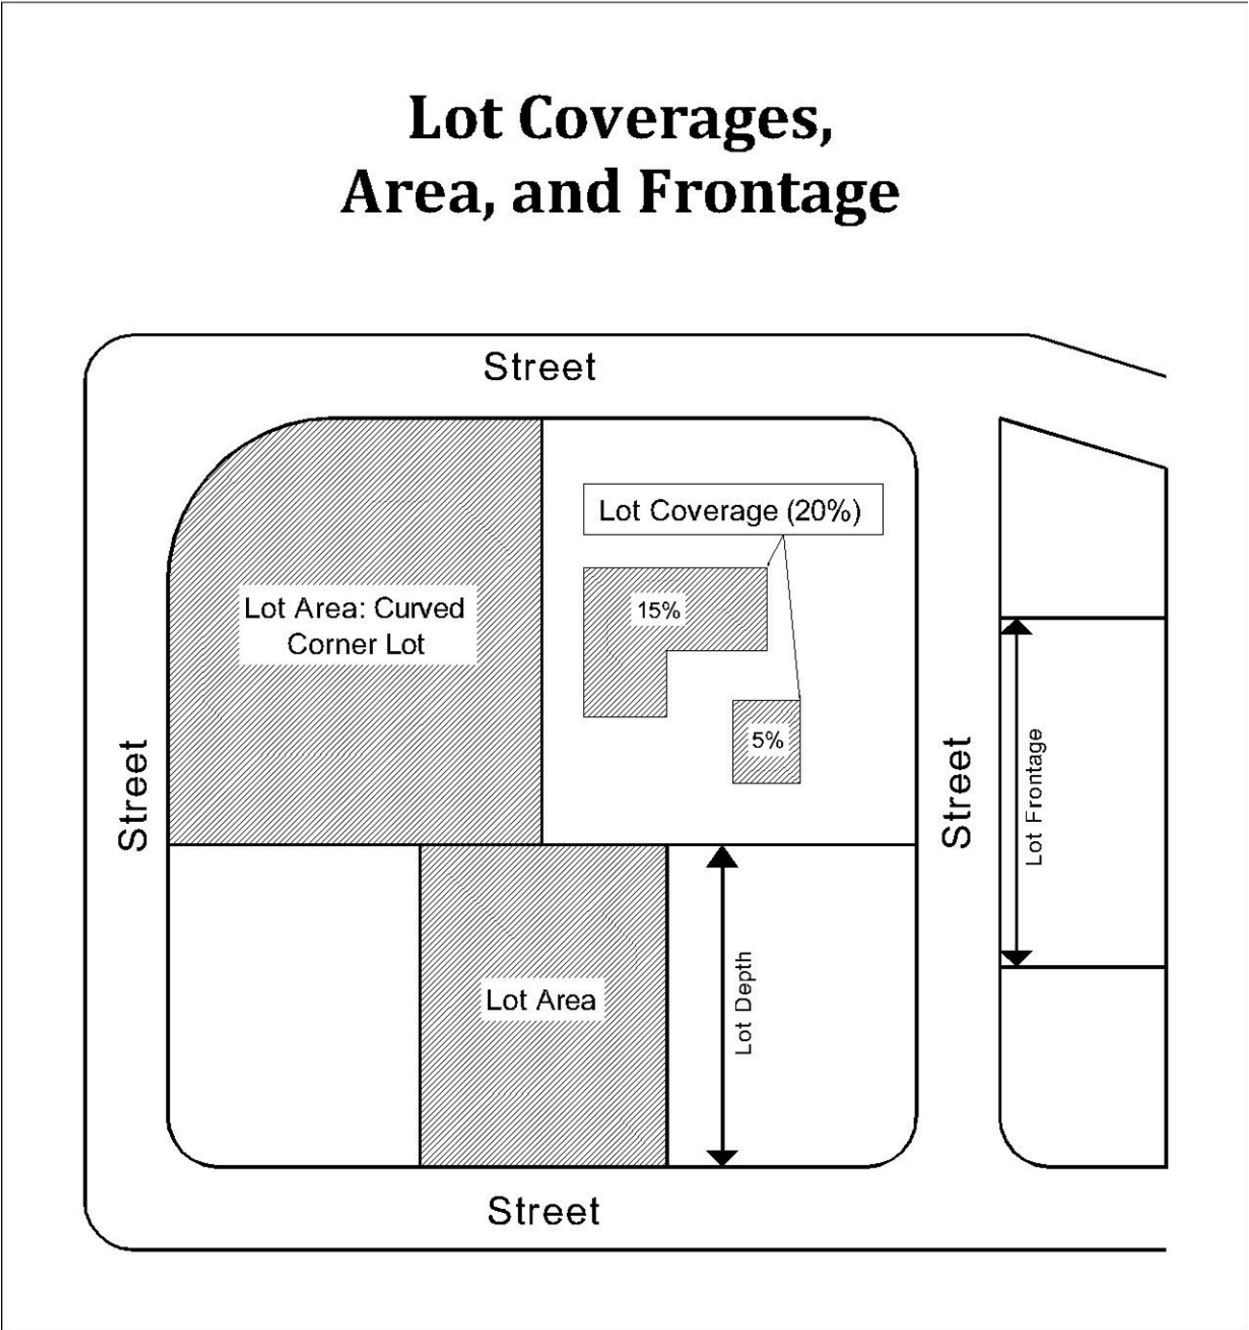

FIGURE 2.2

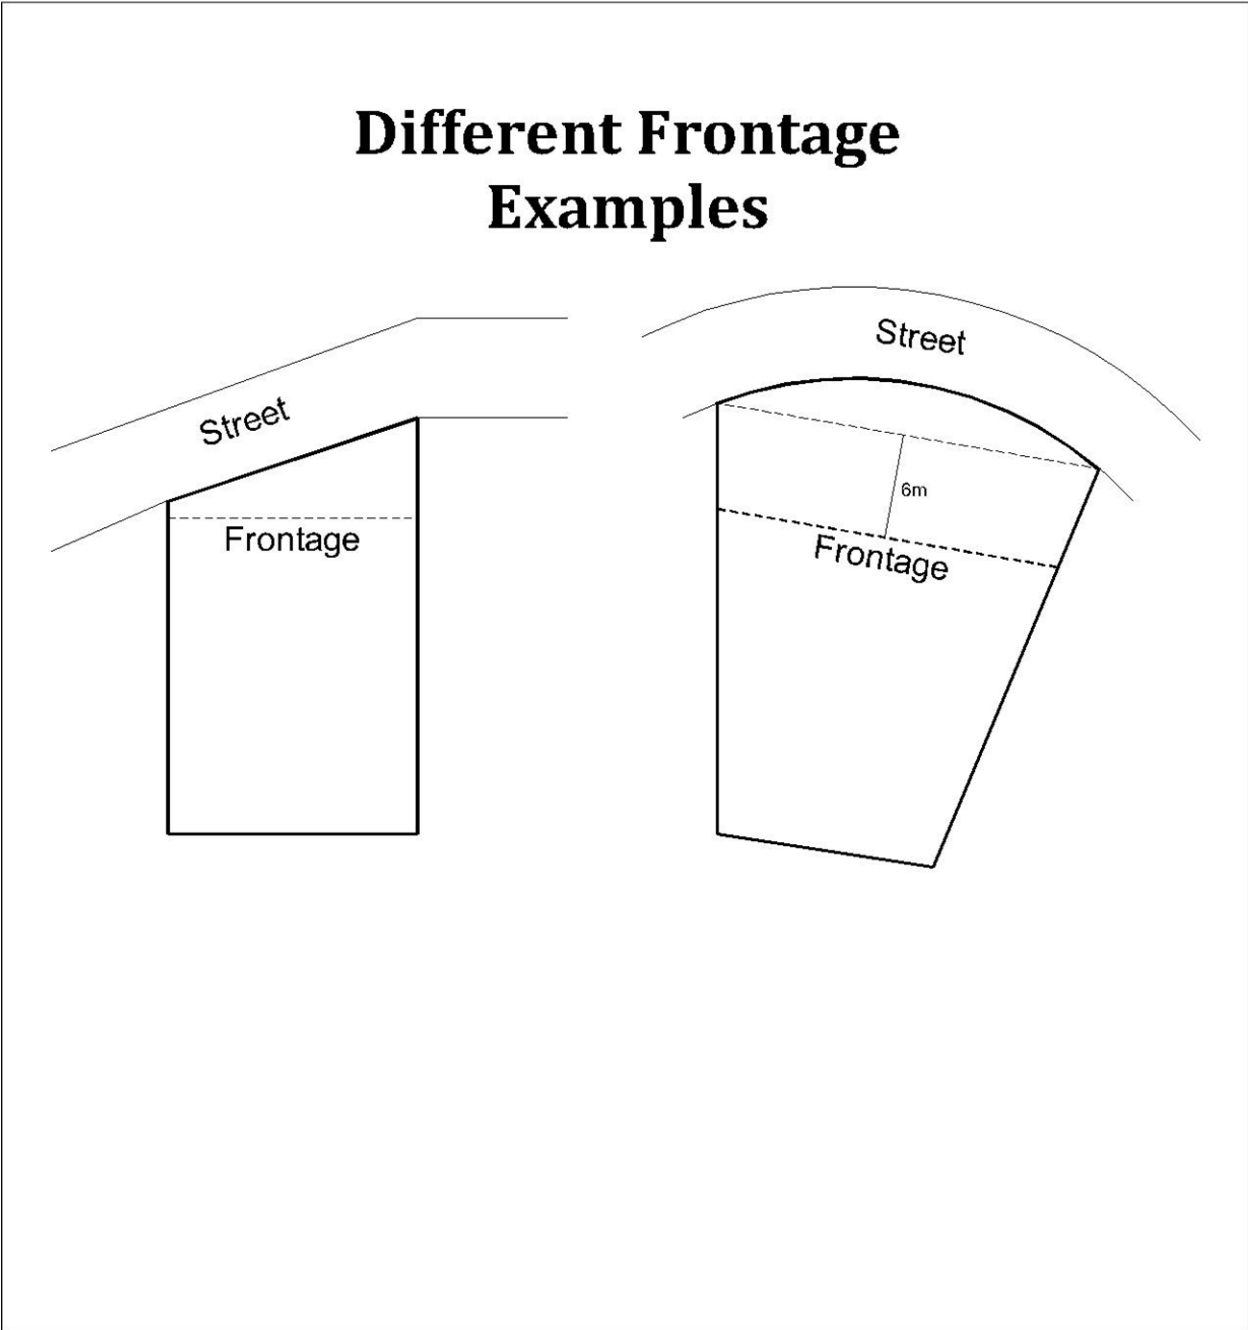

FIGURE 2.3

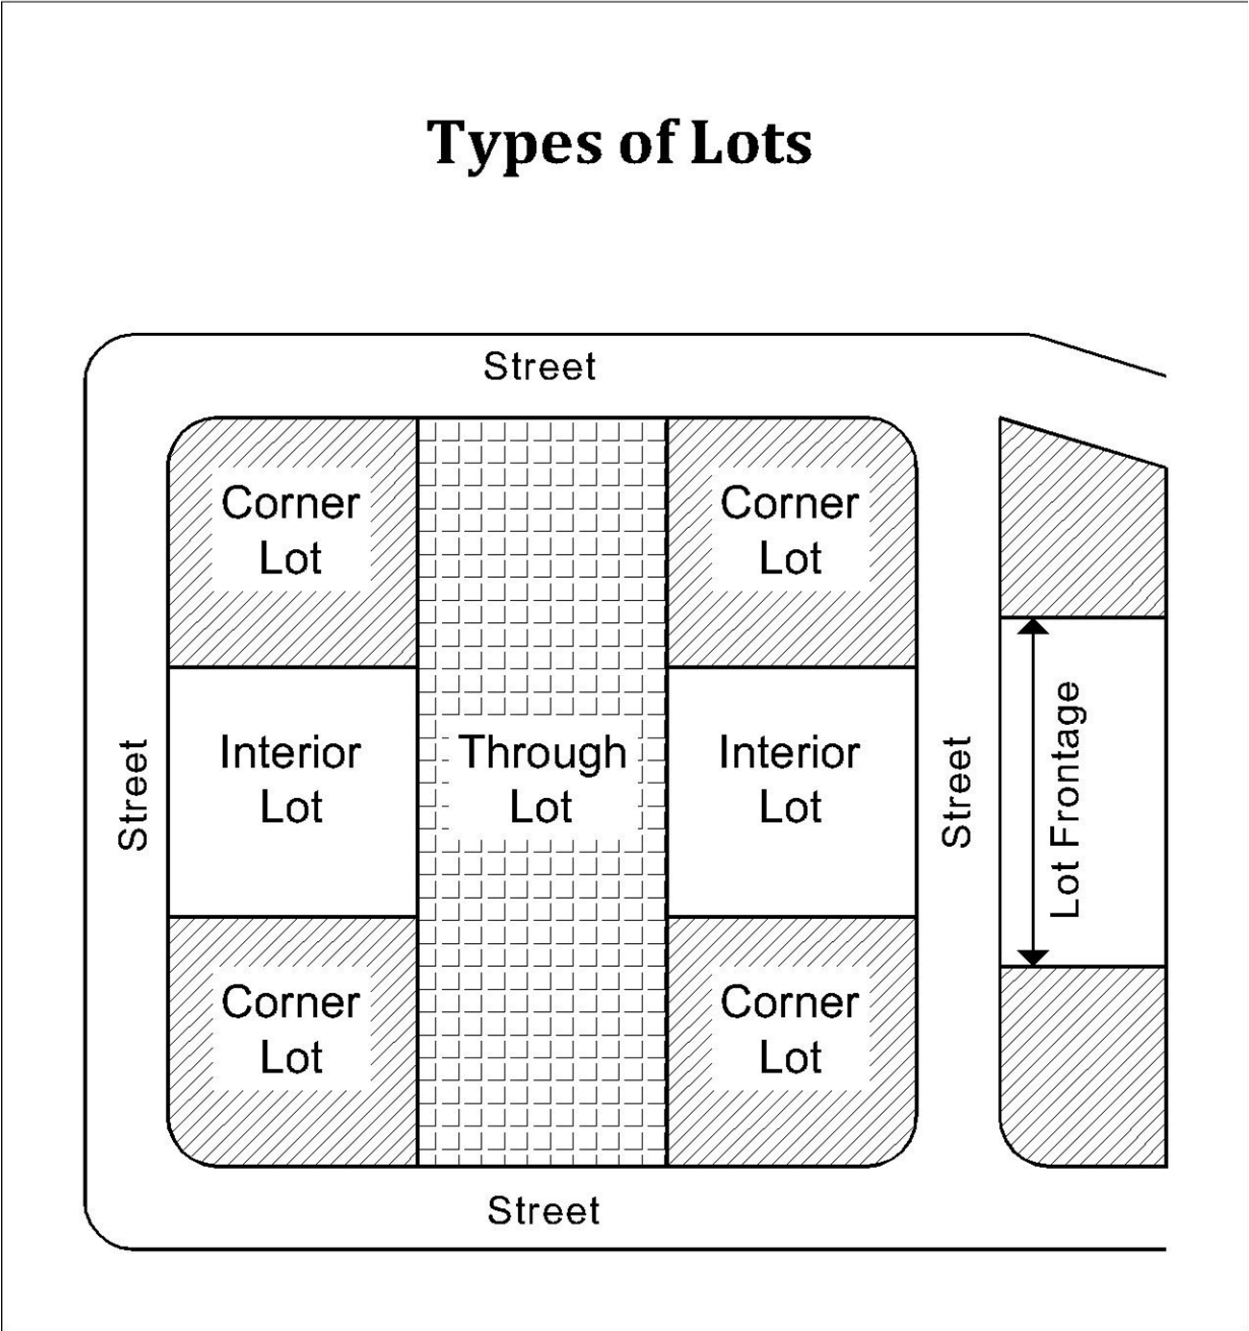

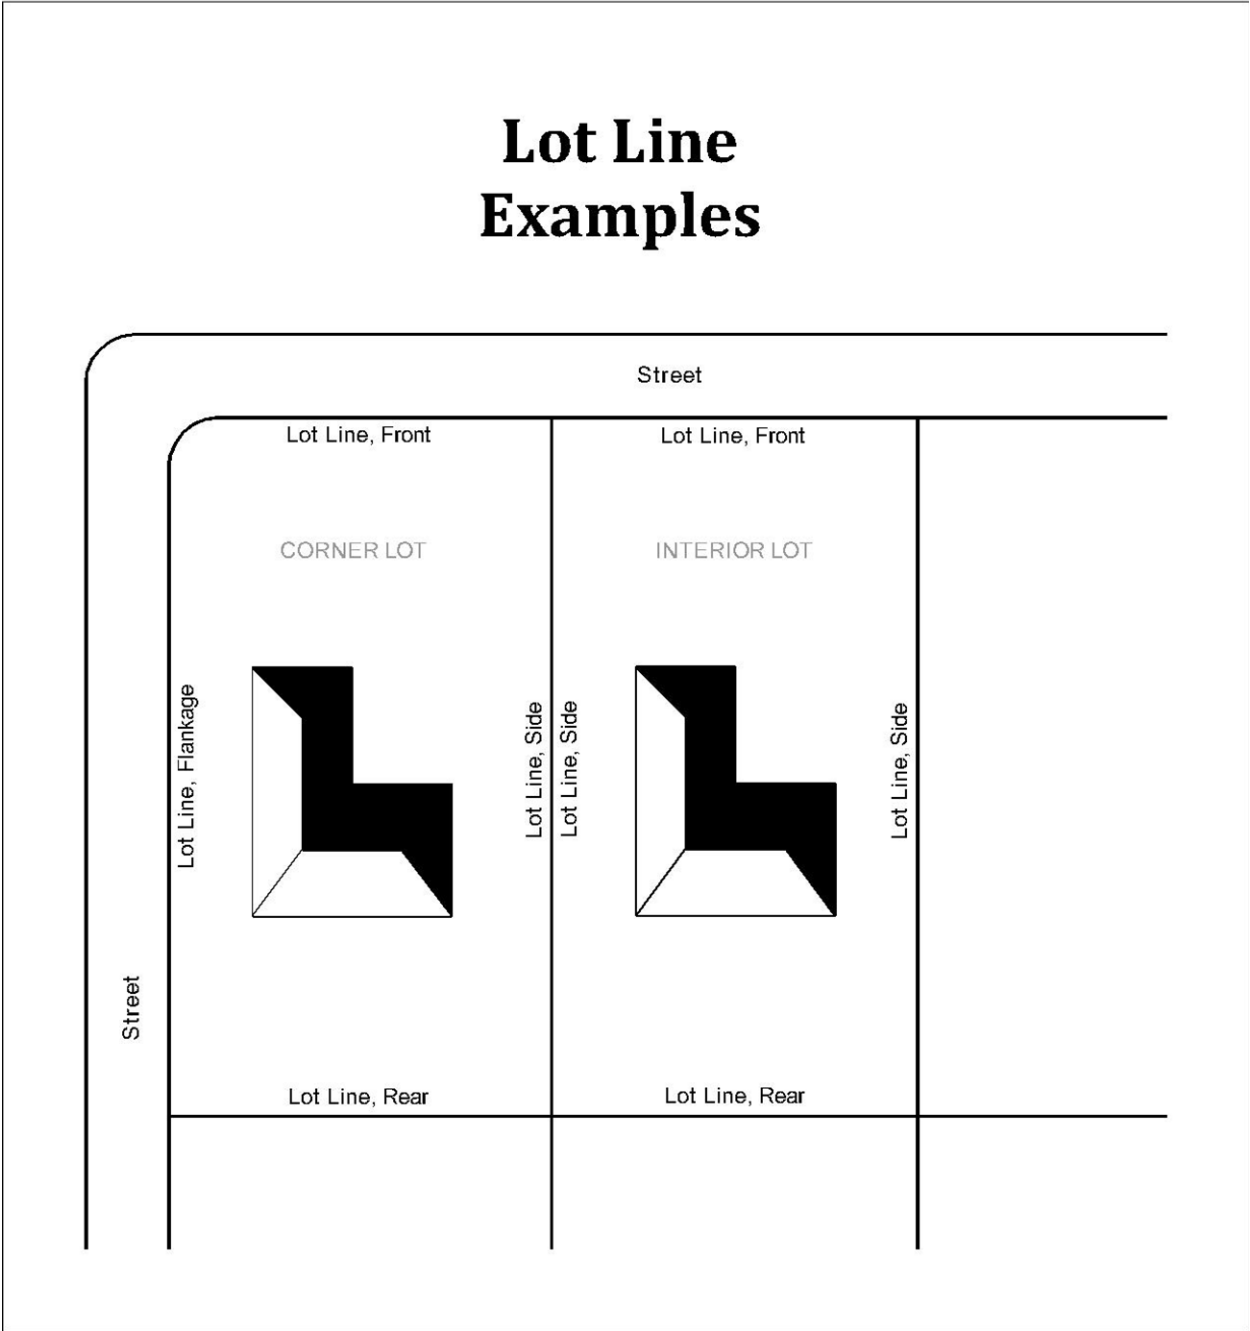

FIGURE 2.4

Main building:

The **building** designed or **used** for the **principal use** on the **lot** and includes any **attached use**, such as a **garage** or **carport**.

Main wall:

The exterior front, side or rear wall of a **building**, and all structural members essential to the support of a fully or partially enclosed space or roof, where the members are nearer to a **lot line** than the exterior wall.

Marina:

A commercial establishment containing docking or mooring facilities where boats or boat accessories are berthed, stored, serviced, repaired, constructed or kept for sale or lease. A **marina** may also include ancillary **uses** that support the operation of the **marina**, such as but not limited to the sale of marine fuels or lubricants, **restaurants**, **convenience stores**, or water taxi services. A **marina** may also include similar facilities to accommodate water borne aircrafts.

Medical practitioner:

An individual who practices any of the health disciplines regulated under a Provincial Act. This shall include, but is not limited to, a dentist, psychiatrist, chiropractor, physician, or optometrist but does not include a veterinarian.

The area within the City of North Bay municipal boundary that is outside of the settlement area boundary as defined by the City of North Bay Official Plan.

Salvage yard:

The **use** of land, **buildings** or **structures** for the storage, handling, processing and salvage of scrap metal material.

School:

A **building** or **structure** under the jurisdiction of a Board as defined in the *Education Act*, R.S.O. 1990, c. E.2, as amended.

Seasonal garden centre:

An **accessory use** that temporarily occupies an area on a **lot**, or portion of the required **parking area** of the main **use** on the same **lot**. The **seasonal garden centre** shall be restricted to the storage and sale of gardening supplies and plants for domestic **uses** only.

Self-storage use:

A facility that leases space to individuals or small businesses for the purpose of storing excess goods or household items. The rented spaces are normally secured by the tenant's own lock and key. Facility operators do not have casual access to the contents of the space. **Self-storage uses** do not include **freight containers** or **storage trailers**. **Self-storage** facility operators usually provide controlled access to rental space areas.

Setback:

The minimum distance between any **lot line** and the nearest part of any **main wall** of any **building** or **structure** unless the closet wall is permitted to encroach under Section 3.15. (*Amended by By-law 2022-31*)

Sewage disposal system:

Any sewage system as defined in the *Building Code*, O. Reg. 332/12, made under the *Building Code Act, 1992*, S.O. 1992, c. 23 and *Ontario Water Resources Act*, R.S.O. 1990, c. O.40, or their successors.

Short-term rental:

All or part of a **dwelling unit** used to provide sleeping accommodations for any rental period that is less than 28 days in exchange for payment. **Short-term rental** uses shall not mean or include a **bed and breakfast** establishment, institutional tourist establishment, tourist establishment, tourist camping establishment, motel, resort, or similar commercial or institutional use. (*Amended by By-law 2022-76*)

Solar farm:

Any device or combination of devices employed in the collection of direct solar radiation for the purposes generating electricity or otherwise converting solar rays into usable forms of energy.

Special occasion tents or structures:

An outdoor venue that can accommodate a variety of special events including, but not limited to, concerts, festivals, fundraising activities, ceremonies and wedding receptions and provides temporary covered **open space**.

Specialty food store:

A **retail store** engaged primarily in the business of selling a limited range of food products such as, but not limited to, a meat shop, a butcher, a fish

shop, a cheese shop, a shop selling baked goods or a catering shop selling frozen meals or prepared foods. Other food and products sold aside from the primary speciality item must be a direct **accessory** item to the speciality item that is the focus of the store. A **specialty food store** shall not offer full service meals or extensive seating.

Stacking spaces, drive through:

An on-site **vehicle** space with direct forward access to a service window of a **drive through** facility, **drive through** carwash or other continuous **drive through** set up.

Stacking spaces, parking:

A situation where parking shall be permitted where one space stacks in front of another thereby limiting direct access to the **street** or **laneway** from one of the **parking spaces**.

Storage trailer:

The trailer portion of a tractor-trailer unit, transport truck, the box or storage area of a van or utility **vehicle**, or similar type of trailer that is **used** in a manner similar to an **accessory structure**.

Storey:

The portion of a **building**, other than a **basement**, between the surface of any floor and the surface of the floor next above, or, if there is no floor above it, that portion between the surface of the floor and the ceiling above it.

Storey, first:

The **storey** with its floor closest to **grade** and having its ceiling more than 1.8m above **grade**.

Storey, half:

The portion of a **building** located wholly or partly within a sloping roof, having a **floor area** of not less than one-half and not more than two-thirds of the **floor area** of the **storey** next below, and a ceiling with a minimum height of 2.2m over an area equal to at least 50 percent of its **floor area**.

Street:

A public way for purposes of vehicular and pedestrian travel, including the entire dedicated area, with or without provision made for curbs, sidewalks and/or paved gutters and owned and maintained by a **public authority**.

Street line:

The line defined by the edge of pavement, curb, or travelled **roadway**.

Structure:

Anything that is **erected**, built or constructed of parts joined together or any **erection** fixed to or supported by the soil or any other **structure**. But for the purposes of this By-law, a fence not exceeding 1.8m in height shall be deemed not to be a **structure** and for the purposes of **setbacks** or **yards** required in this By-law, a sign shall not be deemed to be a **structure**.

Tourist cabin:

A separate **building**, not including a **hotel**, that is designed to provide only sleeping accommodation for travelling or vacationing public and does not include food preparation or cooking facilities.

Transit terminal:

A **building** or **structure**, or a portion thereof, or an area of land that is **used** for the temporary parking of transit **vehicles** and the picking up and dropping off of passengers.

Transportation terminal:

The **use** of land, **buildings** or **structures** for the purpose of storing, servicing, repairing, loading, or leasing trucks, transport trailers, **commercial motor vehicles**, buses, or any combination thereof, but does not include **automobile service stations** or transportation sales or rental outlets.

Urban settlement area:

The City of North Bay Settlement Area as defined by the City of North Bay Official Plan.

Use:

The purpose for which a **lot**, **building**, **structure**, or any combination thereof is designed, constructed, arranged, occupied or maintained.

Utility trailer:

A trailer primarily **used** for the storage of equipment and supplies for any trade. **Utility trailers** may only be **used** for storage purposes and may not be **used** to accommodate work areas, shops, **office uses** or retail sales or any other form of occupancy.

Vegetative buffer:

An area of dense vegetation intended to slow runoff, trap sediment, or create a natural buffer/screening.

Vegetative buffer, Riparian:

Is an area of dense vegetation next to a waterbody intended to slow runoff and trap sediment.

Vehicle:

A motor **vehicle**, trailer, traction engine, farm tractor, bicycle, **road** building machine and any **vehicle** drawn, propelled, or driven by any kind of power, including muscular power, or as otherwise defined under the *Highway Traffic Act*, R.S.O 1990, c. H.8.

Veterinary establishment:

A **building** or **structure** where animals, including birds and livestock are treated and where domestic animals, including birds are kept for treatment, but shall not include a **kennel**.

Warehouse:

A **building**, or part thereof, which is **used** primarily for the housing, storage, adapting for sale, packaging or **wholesale** distribution of goods, wares, merchandise, foods, and other products.

Waste disposal site:

The **use** of land for the depositing, handling, storage, transfer, treatment, processing, or final disposal of waste under controlled conditions in order to protect environmental and human health and for which a Certificate of Approval under the *Environmental Protection Act*, as amended, is required. A **waste disposal site** also includes a hazardous waste depot or other similar **uses** and any machinery or equipment **used** in connection with the depositing, disposal, handling, storage, transfer, treatment, or processing of waste.

Waste transfer station:

The **use** of land, **building** or **structure**, or part thereof, for the storage, processing or disposition of waste or hazardous waste and for which a Certificate of Approval under the *Environmental Protection Act*, as amended, is required.

Wholesale use:

Any establishment in which goods are offered or kept, for sale or rental, in bulk for **wholesale** to others for the general purpose of resale.

Wind farm:

Any device or combination of multiple devices with the primary purpose of generating usable energy through harnessing and converting kinetic wind energy.

Yard:

An **open space** of land other than a court on the same **lot** with a or **structure**, unoccupied and unobstructed except as otherwise provided or required by this By-law and located between the **main wall** of the **main building** and one of the **lot lines** of the **lot**.

Yard, exterior side:

The **side yard** of a **corner lot**, which **side yard** extends from the **front yard** to the **rear yard** between the **side lot line abutting** a **street** and the nearest **main wall** of any **main building** or **structure**. (See Figure 2.6)

Yard, front:

A **yard** extending across the full width of the **lot** between the **front lot line** and the nearest **main wall** of the **main building** or **structure** on the **lot**, or in a case where a forced **road** bisects the **lot**, the edge of the **road** and the nearest **main wall** of the **main building** on the **lot**.

Yard, interior side:

A **side yard** other than an **exterior side yard**. (See Figure 2.6)

Yard, minimum front:

The minimum depth of **front yard** on a **lot** between the **front lot line** and the nearest wall of any **building** or **structure** on the **lot**, or in a case where a forced **road** bisects the **lot**, the edge of the **road** and the nearest **main wall** of the **main building** on the **lot**. In the case of water frontage along a shoreline, the **minimum front yard** is measured from the surveyed normal water's edge to the nearest **main wall** of the **building** or **structure** on the **lot**. (See Figure 2.6)

Yard, minimum rear:

The minimum depth of a **rear yard** on a **lot** between the **rear lot line** and the nearest wall of any **main building** or **structure** on the **lot**, or in a case where a forced **road** bisects the **lot**, the edge of the **road** and the nearest wall of any **main building** or **structure** on the **lot**. (See Figure 2.6)

Yard, minimum side:

The minimum width of a **side yard** on a **lot** between a **side lot line** and the nearest wall of any **main building** or **structure** on the **lot**. (See Figure 2.6)

Yard, rear:

A **yard** extending across the full width of the **lot** between the **rear lot line** and the nearest **main wall** of the **main building** on the **lot**, or in a case where a forced **road** bisects the **lot**, the edge of the **road** and the nearest **main wall** of the **main building** on the **lot**. (See Figure 2.6)

Yard, side:

A **yard** between the nearest **main wall** of the **main building** or **structure** and the **side lot line** extending from the **front yard** (or **front lot line** if no **front yard** is required) to the **rear yard** (or **rear lot line** if no **rear yard** is required). (See Figure 2.6)

Zone:

An area within which, in accordance with the provisions of this By-law, certain **uses** of lands, **buildings** and **structures** are permitted and certain others are prohibited, where **yards** and other **open spaces** are required, and where **lot areas**, **building** height limits and other requirements are established, all of the foregoing being identical for the **zone** and district in which they apply.

3.1 Application to All Zones

- 3.1.1 The provisions of this section apply in all **zones** except as may be indicated otherwise elsewhere in this By-law.

3.2 Lots to Front on Public Roads

- 3.2.1 All **lots** created after the date this By-law comes into effect shall front on and have access to an open public **road** or **highway** for a minimum of 4.5m which is presently being maintained by the **municipality** or the Province of Ontario or, in the instance of a vacant land condominium, shall front on and have access to the Condominium Corporation's **road** which shall have **street** access to an open public **road** or **highway** which is presently being maintained by the **municipality** or the Province of Ontario.
- 3.2.2 No **person** shall **erect** or **use** or permit or cause to be **erected** or **used** any **building** or **structure** in any **zone** unless the **lot** upon which the **building** or **structure** is to be **erected** or **used** fronts upon an open public **road** or **highway**; or in the instance of a vacant land condominium, fronts on and has access to the Condominium Corporation's **road** which shall have **street** access to an open public **road** or **highway** which is presently being maintained by the **municipality** or the Province of Ontario.
- 3.2.3 A **building** or **structure** may be **erected** or **used** on an **existing** separate parcel of record which does not front on an open public **road** or **highway**, but which **existing** separate parcel of record does have registered access to an open public **road** or **highway**.

3.3 Public Uses Permitted

- 3.3.1 The provisions of this By-law shall not apply to the **use** of any land or to the **erection** or **use** of any **building** or **structure** for the purpose of public service by the **municipality**, local board, **school** board, public utility, department of the Government of Canada or the Province of Ontario, any Crown Corporation or the public infrastructure of a telecommunications company regulated by the Government of Canada, provided that:
- 3.3.1.1 The **lot coverage**, **setback** and **yard** regulations prescribed for the **zone** in which the land, **building** or **structure** is located are complied with;
- 3.3.1.2 No recreational, institutional or public **building** located in any residential **zone** is located closer than half of the height of the **building** or 4.5m, whichever is the greater, to any property line on the site on which the **building** is located;
- 3.3.1.3 No goods, material or equipment are stored in the open in a residential **zone** or in a **lot** adjacent to a residential **zone**;
- 3.3.1.4 Any **building erected** in a residential **zone** or in a rural **zone** under the authority of this paragraph is designed,

landscaped and maintained in general harmony with the residential character of the neighbourhood, and surrounding **buildings** of the type permitted in the **zone**;

- 3.3.1.5 Any **building erected** in a residential **zone** or in a rural **zone** under the authority of this paragraph is not to be **used** for the purposes of an **office**; and
- 3.3.1.6 Any parking and loading regulations prescribed for the **use** of the land, **building** or **structure** are complied with.

3.4 Lots Reduced by Public Acquisition

- 3.4.1 Where a **lot** is reduced, and where **existing buildings** or **structures** no longer meet the regulations contained within this By-law, by means of an acquisition, expropriation or otherwise, of part of the **lot** by a **public authority** for the purpose of providing a public service, nothing in this By-law shall apply to prevent the continued **use** of the **lot**, as reduced, for the same purpose, or the **erection**, alteration or **use** of a **building** or **structure** thereon, as if no acquisition had taken place, provided that:
 - 3.4.1.1 No regulation pursuant to the *Health Protection and Promotion Act*, R.S.O. 1990, c. H.7 or the *Environmental Protection Act* are contravened;
 - 3.4.1.2 The **lot**, as reduced, is accessible to vehicular traffic from an open public **road** either directly or via registered access; and
 - 3.4.1.3 No change is made to the **lot** or to any **building** or **structure** thereon, subsequent to the date of the acquisition, that would increase the degree of any non-conformity resulting from the acquisition or that would contravene any other provision hereof.
- 3.4.2 This provision shall not be construed as mitigating or legalizing any non-conformity or contravention pertaining to the **lot** prior to the date of the acquisition.

3.5 Exception to Height Regulation

- 3.5.1 The height regulations in this By-law shall not apply to church spires, water tanks, elevator enclosures, flagpoles, television, telecommunication or radio antennae, ventilators, skylights, **barns**, chimneys or wind turbines.

3.6 Existing Buildings not Conforming to Permitted Uses in a Zone

- 3.6.1 Where a **building** or **structure** was **erected** prior to the date this By-law comes into effect and is **used** for a purpose which is not a permitted **use** in the **zone** in which it is situated, but is a legal **non-conforming use**, the **building** or **structure** may be reconstructed, repaired or renovated provided that the repair or **renovation** does not include any alteration of **use** and the

building or **structure** continues to be **used** for the same purpose.

3.6.2 The provisions contained in this subsection do not apply to:

- 3.6.2.1 Properties in the **rural areas** along the unserviced shoreline of Trout Lake or to lands with frontage on a watercourse flowing into Trout Lake as identified by the North Bay-Mattawa **Conservation Authority** on Schedule E of this By-law; and
- 3.6.2.2 Properties that are within a depth of one **lot** deep or 46m from the Trout Lake shoreline, whichever is the greater, unless the **structure** was destroyed by fire or other acts of nature.

3.7 Existing Buildings Having Less than Minimum Lot or Setback Requirements

3.7.1 Where a **building** or **structure** was **erected** prior to the date this By-law came into effect, on a **lot** having less than the minimum frontage or area, less than the minimum front, side, or **rear yard setback**, or less than the minimum usable **open space** required by this By-law, but is a legal **non-complying use**, the **building** may be enlarged, reconstructed, repaired or renovated provided that:

- 3.7.1.1 The enlargement, reconstruction, repair or **renovation** does not further reduce the **front, side, or rear yard setbacks**, where the **setback** is already deficient, or usable **open space** required by this By-law; and
- 3.7.1.2 The height of the **existing** legal **non-complying use** is not increased except where the required **side yard setbacks** are available.

3.7.2 The provisions contained in this subsection do not apply to:

- 3.7.2.1 Properties in the **rural areas** along the unserviced shoreline of Trout Lake or to lands with frontage on a watercourse flowing into Trout Lake as identified by the North Bay-Mattawa **Conservation Authority** on Schedule E of this By-law; and
- 3.7.2.2 Properties that are within a depth of one **lot** deep or 46m from the Trout Lake shoreline, whichever is the greater, unless the **structure** was destroyed by fire or other acts of nature.

3.8 Existing Undersized Lots

3.8.1 The construction of 1 **single detached dwelling** may be permitted on a vacant **lot** in a residential **zone** having less than the minimum frontage, but not less than 9m frontage, provided that the **lot** was legally registered and **existing** prior to this By-law coming into effect, and provided the development meets all other requirements of this By-law.

3.8.2 The provisions contained in this subsection do not apply to:

- 3.8.2.1 Properties in the **rural areas** along the unserviced shoreline of Trout Lake or to lands with frontage on a watercourse flowing into Trout Lake as identified by the North Bay-Mattawa **Conservation Authority** on Schedule E of this By-law; and
- 3.8.2.2 Properties that are within a depth of one **lot** or 46m from the Trout Lake shoreline, whichever is greater, unless the **structure** was destroyed by fire or other acts of nature.

3.9 Existing Setbacks Conformity

3.9.1 In any **zone** where undeveloped **lots** exist between developed **lots**, and where the **lots** are within the same block and fronting on the same **street**, the **minimum front yard** may be reduced. Where a **building line** has been established by **existing structures** on two or more **lots**, this **established building line** will be the minimum required **front yard setback**, but shall not be less than 3m. *[amended by By-law 2016-25]*

3.9.2 The provisions contained in this subsection do not apply to:

- 3.9.2.1 Properties in the **rural areas** along the unserviced shoreline of Trout Lake or to lands with frontage on a watercourse flowing into Trout Lake as identified by the North Bay-Mattawa **Conservation Authority** in Schedule E of this By-law; and
- 3.9.2.2 Properties that are within a depth of one **lot** deep or 46m from the Trout Lake shoreline, whichever is the greater, unless the **structure** was destroyed by fire or other acts of nature.

3.10 Three-Tenths Metre Reserve Setback

3.10.1 Where a **side lot line abuts** a 0.3m reserve, no portion of any **buildings** or **structures**, above or below **grade**, shall be located closer than 6m to the reserve.

3.11 Three-Tenths Metre Reserve Private Garage Setback

3.11.1 Where a **flankage lot line abuts** a 0.3m reserve, no **attached** or detached **private garage** shall be located in the **exterior side yard** and no portion of any **driveway** shall be located closer than 15m to the intersection of the **street lines** or their projections.

3.12 Setback From TransCanada Pipeline Right-of-way

3.12.1 Where a **building** or **structure** is located adjacent to a TransCanada Pipeline **right-of-way** the setback from the **right-of-way** for habitable structures shall be 7m. For an **accessory** structure the setback shall be 3m. (Amended by By-law 2023-40)

3.13 Setbacks From Forced Roads

- 3.13.1 Where a forced **road** intersects a property no part of any **building**, primary or **accessory structure**, may be built within 5m of the edge of the **road**.

3.14 Daylight Corners

- 3.14.1 On any **corner lot** in any **zone**, no sign, fence, shrubs or any visual obstruction with a height exceeding 0.6m above the grade of the **road** shall be **erected** within the triangular space measured:
 - 3.14.1.1 Along the edge of pavement for a distance of 9m from their point of intersection; and
 - 3.14.1.2 Along an edge of pavement and a railway **right-of-way** for a distance of 30m from their point of intersection.
- 3.14.2 Notwithstanding subsection 3.14.1, a chain link fence may be permitted in the triangles described in subsection 3.14.1 if:
 - 3.14.2.1 Its posts are not more than 0.08m in diameter; and
 - 3.14.2.2 It is made of wire having a maximum gauge of 24 and a minimum mesh of 0.05m.
- 3.14.3 This section does not apply to trees if they are kept trimmed so that no foliage hangs or grows below the height of 2m above the crown of the adjacent **street**.
- 3.14.4 This section does not apply to properties **zoned** C1 or C2.
- 3.14.5 In addition to the provisions of this By-law, **daylight corners** shall also adhere to all regulations in the City of North Bay Fence By-law 2002-105 and any successor thereto, as amended.

3.15 Permitted Encroachments in Yards

- 3.15.1 Every part of any **yard** required by this By-law shall be open and unobstructed by any main **structure** from the ground to the sky provided that fences and hedges shall be permitted, in accordance with the provisions of Section 3.15 of this By-law, and that those **structures** listed in the following table that form part of the main **structure** shall be permitted to project into the minimum **setback** indicated for the distances specified:

Structure	Yard in Which Projection is Permitted	Maximum Projection Permitted from Main Wall
Sills, Belt Courses, Cornices, Eaves or Canopies, Gutters, Chimneys or Pilasters	Any Yard .	1m
Fire Escape Staircases	Rear and Side Yard.	1.8m
Window Bays	Front, Rear, and Exterior Side Yard only.	1m over a maximum width of 3m
Balconies	Front, Rear, and Exterior Side Yards for Single Detached, Semi-Detached, Duplex, Triplex, Fourplex and Townhouses. Any Yard for all other residential buildings.	1.8m
Covered Porches (not exceeding 1 storey in height), Uncovered Terraces, and Decks (excluding stairs)	Front and Rear Yard.	3m
Landscape Features Including Decks Less Than 0.3m in Height.	Any Yard .	Any Distance
Freestanding Air Conditioning Units and Generators	Front, Rear, and Exterior Side Yard only. In the general Rural (A) zone the interior side yard is also Permitted.	1.2m
Ramps, Enclosures, or any Equipment used to improve accessibility for owners, tenants, or visitors, as defined by the Accessibility for Ontarians with Disabilities Act.	Any Yard .	Any Distance
Brick Façade and Siding.	Any Yard .	0.1m

3.16 Enclosures

3.16.1 Enclosures to any covered **porch** or terrace permitted by the above subsection of this By-law shall be permitted in the **front or rear yard** and shall be limited to 1m in height not including roof supports.

- 3.16.2 Where a continuous covered **porch** or **deck** is being constructed for an **abutting semi-detached** or **townhouse dwelling** the **interior side yard setback** shall be 0m.
- 3.16.3 For **semi-detached** and **townhouse dwellings**, the construction of a covered **porch** or **deck** that is not continuous shall have an **interior side yard setback** of not less than 0.6m.

3.17 Truck, Bus and Coach Bodies

- 3.17.1 No truck, transport truck trailer, bus, streetcar or coach body shall be **used** for human habitation within the **municipality**, whether or not it is mounted on wheels.

3.18 Trailers

- 3.18.1 No tourist or tent trailer shall be **used** for living, sleeping, eating or accommodation within the city unless it is located in an authorized seasonal tent and trailer park established and operated in conformity with the City of North Bay Seasonal Tent and Trailer Park By-law No. 1976-126 as amended and any successor by-law thereto.

3.19 Temporary Construction Uses Permitted

- 3.19.1 Notwithstanding any other provisions of this By-law, **uses** such as a **storage trailer, freight container**, construction camp or other temporary work camp, a tool shed, scaffold, or other **building** or **structure** incidental to the construction shall be permitted provided that:
- 3.19.1.1 **Uses, buildings** or **structures** are **used** only as long as they are necessary for work in progress which has neither been finished nor abandoned; and
- 3.19.1.2 **Uses, buildings** or **structures** are removed when the work in connection with which they were constructed is terminated.

3.20 Accessory Building, Use or Structure (General)

- 3.20.1 **Accessory buildings, uses** or **structures** are permitted in the rear and **interior side yards**, in any **zone**, subject to the provisions of this By-law for the particular **zone** in which the **building, use** or **structure** is located, and subject to the following provisions applying to each **accessory building, use** or **structure**:
- 3.20.1.1 It shall not be **used** for human habitation, except where the **dwelling** is a permitted **accessory use** or is permitted **additional urban residential dwelling unit** or an **additional rural residential dwelling unit**;
- 3.20.1.2 In an **exterior side yard**, it shall not be built closer to the **lot line** than the minimum distance required by this By-law for the **main building** on the **lot** and it shall not be built closer to the **street** than the **main building**;

- 3.20.1.3 No portion of the eaves or other similar features may be within 0.15m of any **lot line**;
- 3.20.1.4 In the rear yard, an **accessory building** shall not be built closer than 0.6m to the rear or interior **side lot lines** except in the following circumstances:
 - 3.20.1.4.1 Common **semi-detached private garages** may be centred on the mutual **lot line**; and
 - 3.20.1.4.2 Where an external **building** opening faces a **side** or **rear lot line**, the **setback** to the **lot line** shall be not less than 1.2m.
 - 3.20.1.4.3 In the case of a **corner lot**, the **accessory** structure shall not be built closer to the **street** than the minimum distance required by this by-law for the **main building** on the lot or it shall not be built closer to the **street** than the **main building**, whichever is the greater. *[added by By-law 2016-25]*
- 3.20.1.5 It shall not exceed 10 percent coverage of the total **lot area**;
- 3.20.1.6 It shall not exceed one **storey** or 4.1m in height, whichever is lesser, except as outlined in Table 10D of this By-law;
- 3.20.1.7 It shall not be built within 1.2m of the **main building**;
- 3.20.1.8 It shall not be considered an **accessory building** or **structure** if **attached** to the **main building**;

- 3.43.1.3 No **person** shall **use** a **recreational vehicle** being parked as a **dwelling unit**.

3.44 Commercial Building Access Requirements

- 3.44.1 Satisfactory access from a **street** to a **side yard** or a **rear yard** shall be provided for all commercial **buildings** to permit the delivery or carrying of goods and supplies.

3.45 Commercial Landscaping Provisions

- 3.45.1 In any commercial **zone** which fronts on a **street** opposite to, or directly **abuts** any residential **zone** a strip of land not less than 3m in width along the **lot line** within the commercial **zone** which is opposite to or directly abuts the residential **zone** shall be adequately landscaped except where **used** for entrances and exits.
- 3.45.2 In any commercial **zone** which fronts on a provincial **highway** or a collector or arterial **road** a strip of land not less than 3m in width along the **front lot line** shall be adequately landscaped, excluding C1 and C2 **zones**.

3.46 Institutional Landscaping Provisions

- 3.46.1 In any Institutional **zone** which fronts on a **street** opposite to, or directly **abuts** any residential **zone** a strip of land not less than 3m in width along the **lot line** within the institutional **zone** which is opposite to or directly abuts the residential **zone** shall be adequately landscaped except where **used** for entrances and exits.
- 3.46.2 In any institutional **zone** which fronts on a provincial **highway** or a collector or arterial **road** a strip of land not less than 3m in width along the **front lot line** shall be adequately landscaped except where used for entrances and exits.

3.47 Industrial Landscaping Provisions

- 3.47.1 Where a **lot** in any industrial **zone** fronts onto a **street** opposite a residential **zone**, or directly **abuts** a residential **zone** the **front yard** and a strip of land not less than 6m in width along the **side** and **rear lot lines**, within the industrial **zone** which is opposite to or directly abuts the residential **zone**, shall be adequately landscaped except where **used** for entrances and exits.
- 3.47.2 Where a **lot** in any industrial **zone** fronts on a provincial **highway** and is not opposite any residential **zone** a strip of land not less than 3m in width along the **front lot line** adjacent to the **road** shall be adequately landscaped except where **used** for entrances and exits..

3.48 Industrial Accessory Uses (Commercial and Other)

- 3.48.1 In any industrial **zone** no part of any **building** or **structure** shall be **used**, or caused or permitted to be **used**, for any **accessory use** except in accordance with the following provisions:
- 3.48.1.1 Any commercial **use** that is a direct **accessory** to the primary industrial **use** shall be permitted within the **main building** provided that the **use** does not exceed 25 percent of the **gross floor area**; and
- 3.48.1.2 An **accessory building** shall not be built closer to any **side lot line** than the minimum distance required by this By-law for the **main building** on the same **lot**.

3.49 Recycling Centre and Salvage Yards

- 3.49.1 Where a **recycling centre, salvage yard**, or similar **use** is permitted the following regulations shall apply:
- 3.49.1.1 The minimum distance between the boundary of the **lot** and the boundary of any rural, residential, parkland, or open space **zone** shall be 150m;
- 3.49.1.2 The area constituting the **use** shall be surrounded on all sides by a fence or wall having a minimum height of 2.5m. A fence or wall shall be constructed of permanent materials and provide a complete visual barrier and shall be maintained in a neat and visually attractive manner;
- 3.49.1.3 The fence or wall required shall be set back a minimum of 9m from any **street** adjacent to the **lot**. The space between the **street(s)** and fence(s) shall not be **used** for any purpose other than providing an adequate **landscaping** strip or the provision of a 1.5m **landscaping** strip and visitors **parking area**; and
- 3.49.1.4 Material **used** or stored in the open on the **lot** shall be piled no higher than the required fence.

3.50 Site Plan Control

- 3.50.1 Pursuant to Section 41 of the *Planning Act*, as amended, certain areas of the Municipality with Land Use designations within the following **zones** are thereby designated as Site Plan Control areas:
- R4
 - R6
 - RM1
 - RM2
 - RM3
 - RC
 - RMC
 - RME
 - RN
 - RRL
 - All commercial **zones**
 - All industrial **zones**
 - All special **zones**.
- 3.50.2 Those lands on all 'B' Schedules and 'C' Schedules of this By-law identified by shading are hereby designated as Site Plan Control areas.
- 3.50.3 No **person** shall undertake any development in an area designated in Sections 3.50.1 or 3.50.2 without entering into a Site Plan Control Agreement with the Municipality.
- 3.50.4 Pursuant to Section 41(4) of the *Planning Act*, no **person** shall undertake any development in an area designated in Section 3.50.1 or 3.50.2 of this By-law unless the **council** or the Local Planning Appeal Tribunal (LPAT) has approved one or both, as the **council** may determine, of the following:
- 3.50.4.1 Plans showing the location of all **buildings** and **structures** to be **erected** and showing the location of all facilities and works to be provided in conjunction therewith and of all facilities and works required under Section 41(7)(a) of the *Planning Act*;
 - 3.50.4.2 Drawings showing plan, elevation and cross-section views for each **building** to be **erected**, except a **building** to be used for residential purposes containing less than twenty-five **dwelling units**, which drawings are sufficient to display, :
 - 3.50.4.2.1 The massing and conceptual design of the proposed **building**;
 - 3.50.4.2.2 The relationship of the proposed building to adjacent **buildings, streets**, and exterior areas to which members of the public have access;
 - 3.50.4.2.3 The provision of interior walkways, stairs, elevators and escalators to which members of the public have access from **streets**, open spaces and interior walkways in adjacent **buildings**;

- 3.50.4.2.4 Matters relating to exterior design, including without limitation the character, scale, appearance and design features of **buildings**, and their sustainable design, but only to the extent that it is a matter of exterior design;
 - 3.50.4.2.5 The sustainable design elements on any adjoining **highway** under a municipality's jurisdiction, including without limitation trees, shrubs, hedges, plantings or other ground cover, permeable paving materials, **street** furniture, curb ramps, waste and recycling containers and bicycle parking facilities; and
 - 3.50.4.2.6 Facilities designed to have regard for accessibility for persons with disabilities.
- 3.50.5 As a condition to the approval of the plans and drawings referred to in Section 3.50.4, the **municipality** may require the owner of the land to:
- 3.50.5.1 Provide to the satisfaction of and at no expense to the **municipality** any or all of the following:
 - 3.50.5.1.1 Widening of **highways** that abut on the land;
 - 3.50.5.1.2 Subject to the *Public Transportation and Highway Improvement Act*, R.S.O. 1990, c. P.50 facilities to provide access to and from the land such as access ramps and curbing and traffic direction signs;
 - 3.50.5.1.3 Off-**street** vehicular loading and parking facilities, either covered or uncovered, access **driveways**, including **driveways** for emergency **vehicles**, and the surfacing of such areas and **driveways**;
 - 3.50.5.1.4 Walkways and walkway ramps, including the surfacing thereof, and all other means of pedestrian access;
 - 3.50.5.1.5 Facilities designed to have regard for accessibility for persons with disabilities;
 - 3.50.5.1.6 Facilities for the lighting, including floodlighting, of the land or of any **buildings** or **structures** thereon;
 - 3.50.5.1.7 Walls, fences, hedges, trees, shrubs or other groundcover or facilities for the **landscaping** of the lands or the protection of adjoining lands;
 - 3.50.5.1.8 Vaults, central storage and collection areas and other facilities and enclosures for the storage of garbage and other waste material;
 - 3.50.5.1.9 **Easements** conveyed to the **municipality** for the construction, maintenance or improvement of watercourses, ditches, land drainage works and sanitary sewage facilities and other public utilities of the **municipality** or **public authority**; and

- 3.50.5.1.10 Grading or alteration in elevation or contour of the land and provision for the disposal of storm, surface and waste water from the land and from any **buildings** or **structures** thereon;
- 3.50.5.2 Maintain to the satisfaction of the **municipality** and at the sole risk and expense of the owner any or all of the facilities or works mentioned in 3.50.5.1.2 to 3.50.5.1.10 including the removal of snow from access ramps and **driveways**, parking and loading areas and walkways;
- 3.50.5.3 Enter into one or more agreements with the **municipality** dealing with and ensuring the provision of any or all of the facilities, works or matters mentioned in section 3.50.5.1 and section 3.50.5.4 and maintenance thereof as mentioned in section 3.50.5.2 or with the provision and approval of the plans and drawings referred to in Section 3.50.4;
- 3.50.5.4 Enter into one or more agreements with the **municipality** ensuring that development proceeds in accordance with the plans and drawings approved under subsection 3.50.5.4; and
- 3.50.5.4 Subject to section 41(9.1) of the *Planning Act*, convey part of the land to the **municipality** to the satisfaction of and at no expense to the **municipality** for a public transit **right-of-way**.
- 3.50.6 Notwithstanding the foregoing, the provisions of Subsections 3.50.4 and 3.50.5 shall not apply to:
 - 3.50.6.1 **Accessory buildings** and **structures** thereto in any residential **zone**;
 - 3.50.6.2 Signs; and
 - 3.50.6.3 Underground gasoline storage tanks.

Section 4 – Parking and Loading Space Provisions

4.1 Applicability of this Section

- 4.1.1 The Parking and Loading Space Provisions in this Section of the By-law shall not apply to any legally **existing building** or **use** at the time this By-law came into effect so long as the **floor area** is not increased or the **use** changed to a **use** that requires more parking than currently exists.
- 4.1.2 If an addition is made to a **building** that increases **floor area**, or another factor in the calculation of required **parking spaces**, then additional parking or **loading spaces** shall be provided to meet the standards of this section.

4.2 General Parking Regulations

- 4.2.1 Each automobile **parking space** required by this By-law shall have access to a **street** or public **lane** unobstructed by any other **parking space**, except for required parking for **single detached, semi-detached, street front townhouses**, including a **stacked street front townhouse**, where **stacking spaces** shall be permitted.
- 4.2.1.1 **Additional residential dwelling units** are required to provide 0.5 parking space per unit, in addition to the parking required under Section 4.13.
- 4.2.2 Where there is a combination of **uses** in any **building**, the minimum number of **parking spaces** shall be the combined total of the number required for each type of **use**.
- 4.2.3 For the purposes of calculating **parking spaces** for industrial **uses**, the minimum number of **parking spaces** shall be drawn on a site plan for each new development and redevelopment to demonstrate how the necessary parking requirement is being met. The necessary parking requirement shall be shown as an area that is reserved for, and can be constructed as, a **parking area** when eventually needed.

4.3 Larger Parking Areas

- 4.3.1 Where **parking areas** of more than 8 **vehicles** exist, with the exception of a residential **use** with 4 **dwelling units** or less, the following shall be required:
 - 4.3.1.1 Adequate drainage facilities shall be provided and maintained;
 - 4.3.1.2 The **parking area** shall be maintained with a stable surface treated to prevent the raising of dust or loose particles;
 - 4.3.1.3 The **parking area** shall be defined by a fence, curb, or other suitable obstruction designed to provide a neat appearance, but not to be located so as to obstruct sight

distance;

- 4.3.1.4 The lights **used** for illumination of the **parking area** shall be arranged to direct the light away from adjacent **lots**, particularly residential **zones**;
- 4.3.1.5 A **structure** of not more than 3m in height and not more than 4.6m² in area may be **erected** in a **parking area** for the **use** of attendants; and
- 4.3.1.6 Entrance and exit ramps shall be provided and well defined according to the following standards:
 - 4.3.1.6.1 In residential **zones** the ramps shall have a minimum width of 3m and a maximum width of 4.3m for a one-way ramp, and a minimum width of 6m and a maximum width of 7.3m for a two-way ramp;
 - 4.3.1.6.2 In commercial **zones** the ramps shall have a minimum width of 4.5m and a maximum width of 7.5m for a one-way ramp, and a minimum width of 7.2m and a maximum width of 12m for a two-way ramp; and
 - 4.3.1.6.3 In industrial **zones** the ramps shall have a minimum width of 5m and a maximum width of 9m for a one-way ramp, and a minimum width of 9m and a maximum width of 15m for a two-way ramp.

4.4 Parking Space Specifications

- 4.4.1 Each automobile **parking space** shall have a:
 - 4.4.1.1 Minimum length of 5.5m, and for parallel parking 7.3m; and
 - 4.4.1.2 Minimum width of 2.75m.
- 4.4.2 Each **commercial motor vehicle parking space** shall have a:
 - 4.4.2.1 Minimum area of 28m²;
 - 4.4.2.2 Minimum width of 3.6m; and
 - 4.4.2.3 Minimum length of 7.6m.
- 4.4.3 Aisle space for access to **parking spaces** shall have, based upon the angle of parking, minimum widths of:
 - 4.4.3.1 7m for a 90° turn;
 - 4.4.3.2 3.3m for a 45° turn and shall have an aisle that has one way traffic; and
 - 4.4.3.3 3.3m for parallel parking and shall have an aisle that has one way traffic.

4.5 Parking of Motor *Vehicles* Without Current Licence Plates

- 4.5.1 No **person** shall **use** any **lot** in any **zone** for the parking or storage of any **vehicle** that does not have a current licence plate except:
- 4.5.1.1 Any number of **vehicles** may be stored on a property **zoned** residential, rural, commercial, or industrial provided that they are stored within a permanent enclosed **garage, warehouse, or other similar building**; and
- 4.5.1.2 Up to 4 **vehicles** may be stored outside of a **building** in a Rural General (A) **zone**, where fully screened from view from a public **roadway**.

4.6 Accessible Parking

- 4.6.1 A minimum number of accessible **parking spaces** must be provided, as per the below table:

Minimum Number of Required <i>Parking Spaces</i>	Minimum Number of Accessible <i>Parking Spaces</i>
10 – 30	1
31 – 60	2
61 - 90	3

- 4.6.2 1 additional accessible **parking space** shall be required for each additional 30 **parking spaces** or part thereof.

4.7 Accessible *Parking Space* Specifications

- 4.7.1 The accessible **parking spaces** shall adhere to the following specifications:
- 4.7.1.1 Have a minimum width of 5m each or 3.5m when the parking stall is located adjacent to an accessible aisle or a hard-surfaced walkway dedicated to pedestrian access that has a minimum width of 1.5m.
- 4.7.1.2 Have a length that is the same as the other **parking spaces** in the same parking facility;
- 4.7.1.3 Have a hard, stable, and level surface that reduces the raising of dust and other particles;
- 4.7.1.4 The spaces shall be located so as to be accessible to the public via ramps, depressed curbs or other appropriate means and placed so as to permit easiest access by the people to or from a motor **vehicle**; and
- 4.7.1.5 Each designated **parking space** shall be provided with a sign as per the *Highway Traffic Act* Ontario Reg. 581.

4.8 Residential Zone Parking Regulations

- 4.8.1 In any residential **zone parking spaces** shall be provided and maintained in an **attached** or detached **private garage** or **carport**, in a **side or rear yard**, or in the case of a **front yard** in an area that is well defined and occupies 50 percent or less of the **lot area** of the **front yard**; an exception to the 50 percent or less for **front yard** parking shall be in the case of a residential zone that has a **lot frontage** of 10.5m or less, in which case the parking in the **front yard** shall be well defined and occupy 62 percent or less of the **lot area** of the **front yard**. All parking must occur wholly within the property boundaries.
- 4.8.2 All **parking spaces** shall be appropriately sited, graded and drained to ensure that storm water runoff and snow melt is directed away from **abutting** properties and toward municipal storm water catchment systems.

4.9 Residential Zone Commercial Motor Vehicle Parking

- 4.9.1 No **person** shall park or store, in any residential **zone**, any **commercial motor vehicle** or trailer which:
- 4.9.1.1 Has a length greater than 6m; or
- 4.9.1.2 Has a height greater than 2.2m.
- 4.9.2 Where a **commercial motor vehicle** or trailer does not exceed the size regulations established by Section 4.9.1, a maximum of one **commercial motor vehicle** or trailer may be parked within the **front yard** and an additional **commercial motor vehicle** or trailer may be parked within a fully enclosed **building, side yard** or **rear yard** of a **lot**, provided that:
- 4.9.2.1 Any **commercial motor vehicle** being parked does not interfere with visibility of traffic, public safety, or with the residential amenities of the neighbourhood, or diminish the residential character of the neighbourhood; and
- 4.9.2.2 The **commercial motor vehicle** is operated by an occupant of the **dwelling unit**.
- 4.9.4 This subsection shall not prevent the standing of any **vehicle** for the purpose of normal business operations, such as actively loading or unloading merchandise or passengers.

4.10 Drive through

- 4.10.1 No portion of a **drive through** as part of an establishment including the lineup or movement of **vehicles**, in or out, shall have an effect of reducing access to the required **parking spaces** in this section of the By-law.
- 4.10.2 The **drive through** function shall be adequate to accommodate the stacking of 10 **vehicles** within the **lot**. **Stacking spaces** for a **drive through** shall not count towards required **parking**.

4.10.3 A **stacking space** shall be located to prevent any **vehicles** from extending onto the **road**, public **right-of-way**, or interfering with any pedestrian circulation, traffic manoeuvring, or other required **parking areas**.

4.11 Calculation of Parking Requirements

4.11.1 If the minimum number of **parking spaces** is calculated based on a ratio then the number of **parking spaces** required shall round up to the next higher whole number if the calculation meets or exceeds 0.5 of a space.

4.12 Calculation of Parking Requirements for Industrial, Institutional, and Commercial Zones

4.12.1 For the purposes of calculation of the required number of **parking spaces** in an institutional, industrial or commercial **zone**, the total **gross floor area** will be considered 20% less than the actual measured amount for the purpose of accommodating elevators, stairwells, hallways, storage and mechanical rooms, etc.

4.13 Required **Parking Spaces** by Use

4.13.1 Subject to Section 4.2.3 of this By-law, no **person** shall construct or cause to be constructed, a **building**, unless there is provided on the same **lot** as the **building**, the minimum number of automobile **parking spaces** set out in the following table for each type of **building**, unless otherwise stated elsewhere in this By-law:

<i>Use</i>	Minimum Parking Required
	<i>parking spaces</i> required with respect to the above <i>uses</i> shall be required.

4.14.2 Notwithstanding Section 4.14.1, where residential accommodation is included in any of the above types of ***buildings***, 25% of the minimum number of automobile ***parking spaces*** shall be on the same ***lot*** as the ***building*** containing the residential accommodation, and further provided that the off-site ***parking spaces*** required for the ***buildings*** are situated on land owned by the owner of the ***building*** or are on lands leased by the owner of the ***building***, which shall have an active lease for the duration of the ***primary use***. The lease may change locations during the duration of the ***primary use*** as long as a lease that provides sufficient access to required parking is consistently active. Failing the above, cash in lieu of parking as compensation shall be payable by the subservient lands and may be collected in like manner as municipal taxes against land, forthwith upon demand.

An agreement entered into by the owner of the ***building*** and the ***municipality*** shall provide for the making of such payments to the ***municipality*** as consideration for the granting of the exemption and shall set forth the basis upon which such payment is calculated.

4.15 General Loading Space Regulations

- 4.15.1 No ***loading spaces*** shall be permitted in any ***side yard*** adjacent to any residential or rural ***zone***.
- 4.15.2 No ***loading space*** shall be permitted in any ***front yard***.
- 4.15.3 Except where the total ***floor area*** is less than 300m², 1 loading space shall be required for every 1,860m² of the total floor area. i.e. 301m² = 1 loading space, 1861m²= 2 loading spaces.
- “However, in the C1 Zone, except where the total floor area is less than 2,000 m² , 1 loading space shall be required for every 2,000 m² or fraction thereof, of the total floor area.”

4.16 Loading Space Standards

- 4.16.1 No ***person*** shall ***erect, use*** or cause to be ***erected or used***, any ***building*** or ***structure*** in any ***zone*** for any commercial or industrial purpose involving the movement of goods or ***persons*** unless ***loading spaces*** are provided and maintained as follows:
- 4.16.1.1 Each ***loading space*** shall have a minimum dimension of at least 3.6m by 13.7m;
- 4.16.1.2 Each ***loading space*** shall be at least 4m in height for clearance;
- 4.16.1.3 Adequate drainage facilities shall be provided and maintained;

- 4.16.1.4 The **loading space** and approaches shall be maintained with a stable surface treated to prevent the raising of dust or loose particles; and
- 4.16.1.5 The lights **used** for illumination of the **loading space** shall be so arranged as to direct the light away from adjacent **lots**.

4.17 Loading Space Access Requirement

- 4.17.1 In any commercial or industrial **zone**:
 - 4.17.1.1 Satisfactory access from a **street** to a **side yard** or a **rear yard** shall be provided for all commercial **buildings** to permit the carrying of goods and supplies, except those **buildings** which are less than 300m² in area; and
 - 4.17.1.2 There shall be sufficient **driveway** space to permit manoeuvring of **vehicles** on the **lot** so as not to cause an obstruction or a hazardous condition on adjacent **streets**.

4.18 Loading Space Entrance and Exit Standards

- 4.18.1 A **driveway** leading to any loading area shall have a minimum width of 3.6m for one-way traffic, and a minimum width of 7.3m for two-way traffic.
- 4.18.2 A **driveway** leading to any loading area shall be defined by a curb of concrete or rolled asphalt.

Section 5 - Residential Zones

5.1 Permitted *Uses*:

- 5.1.1 No **person** shall, within any residential **zone**, **use** or permit or cause the **use** of any land, or **erect**, alter, enlarge, **use** or maintain any **building** or **structure** for any **use** other than as permitted in Tables 5A to 5D of this section. The General Provisions of Section 3 of this By-law must also be met, unless otherwise stated.
- 5.1.2 Tables 5A and 5C of this section outline **uses** that are permitted in a residential **zone**. Permitted **uses** are denoted by the symbol 'X' in the column applicable to each **zone** and correspond with the specified **use** identified in the row. A number in brackets immediately following 'X' indicates that there are special provisions regarding that **use**; these special provisions are listed below the table.
- 5.1.3 Tables 5B and 5D of this section outline **setback** and other regulations that shall be adhered to in any residential **zone**. A number in brackets immediately following a piece of data indicates that there are special provisions regarding that **use**; these special provisions are listed below the table.
- 5.1.4 The residential **zones** are as follows:

Residential First Density	R1

Special Provisions for Table 6C (*Setbacks* and Other Regulations):

- 1) When a side **lot line abuts** a commercial or industrial **zone**, and access is not available to the rear of the **building** by a **lane**, then the **setback** shall be a minimum of 4m.
- 2) When a **side lot line abuts** a residential, parkland, or open space **zone**, then the **setback** shall not be less than half of the height of the **building** or 6m, whichever is greater.
- 3) When a **rear lot line abuts** a commercial or industrial **zone** and no access is available to the rear of the **building** by a **lane**, then the **setback** shall be a minimum of 6m.
- 4) When a **rear lot line abuts** a residential, parkland or open space **zone**, then the **setback** shall be a minimum of 10m.
- 5) When the **side lot line** or **rear lot line abuts** a **street**, then the **setback** shall be a minimum of 21m.
- 6) The lands shall be in one ownership, or if in several ownerships, all owners shall individually and jointly comply with the regulations set forth herein.
- 7) **Parking spaces** may be located ahead of the **front yard setback** line, but in no case within 3m of a **street line**.
- 8) In the case of a **corner lot**; the **rear yard setback** may then be 7m.
- 9) When a **side lot line abuts** a residential, parkland or open space **zone**, or a **street**, then the **setback** shall be a minimum of 7m.
- 10) Unless it is on a **corner lot** where Ferguson **Street** intersects Oak, Main, or McIntyre **Streets** then the **building** height may be 10 **storeys**. This applies to the south side of McIntyre **street** only.
- 11) The minimum and maximum **building** heights in the C1 and C2 Zones shall be in accordance with Schedule F.

Section 7 - Industrial Zones

7.1 Permitted *Uses*:

- 7.1.1

No **person** shall, within any industrial **zone**, **use** or permit or casue the **use** of any land, or **erect**, alter, enlarge, **use** or maintain any **building** or **structure** for any **use** other than as permitted in Tables 7A and 7B of this section and in accordance with the standards contained in Table 7C of this section. The General Provisions in Section 3 of this By-law also must be met unless otherwise stated.

Special Provisions for Table 7C (Setback and Other Regulations):

- 1) Except where a **side lot line abuts** a **street** or a residential, parkland, or open space **zone** then the **setback** shall be 9m.
- 2) Except where the **lot line abuts** a railway, then the **setback** shall be 0.
- 3) Except where a **rear lot line abuts** a **street** or a residential, parkland, or open space **zone** then the **setback** shall be 15m.
- 4) All permitted **uses** shall be conducted within an enclosed **building** and no **outside storage** is permitted.
- 5) **Outside storage** shall be permitted in the **rear yard** or **side yard** but not the **front yard** and shall be enclosed by adequate screening in the form of **landscaping** or fencing to a height of at least 2.5m but not greater than the height of the **first storey** of the **main building**.
- 6) No **loading space** shall be located in, or open onto, any side yard adjacent to, or **abutting**, a residential **zone**.
- 7) **Landscaping** considerations:
 - i. A strip of land at least 3m in width along the **lot frontage** shall be adequately landscaped.
 - ii. A strip of land at least 1.5m in width along the **side lot lines** and adjacent to residential **zones** shall be adequately landscaped.
 - iii. Exterior lighting and illuminated signs shall be arranged to face away from any adjacent residential **zones**.
- 8) **Backlot or production studio & backlot** uses:
 - i. Shall require a minimum **setback** of 30m from all **lot lines**.
 - ii. No parking or **outside storage** is permitted within 30m of any **lot line** in any **yard**.
 - iii. No **outside storage** is permitted within 30m of any **lot line** in the side or rear **yard**. No **outside storage** is permitted within the **front yard**. All **outside storage** shall be screened in the form of **landscaping** or fencing, to a height of at least 2.5m.
 - iv. **Landscaping**:
 - a) a strip of land at least 3m in width along the **lot frontage** shall be adequately landscaped.
 - b) The 30m required **setback** shall be landscaped in a manner that creates both a visual and noise **buffer** to adjacent properties, including a variety of trees, shrubs, and hedges.
 - c) All exterior lighting and illuminated signs shall be arranged to face away from adjacent residential, rural,

and open space zones and in all cases arranged as to direct the light away from adjacent **lots**. (Amended by By-law No. 2023-90)

7.2 Industrial Air Park - Airside (MAP-A) Zone

7.2.1 No land, **building** or **structure** shall be **erected** or **used**, or permitted or caused to be **erected** or **used** in any Industrial Air Park - Airside (MAP-A) **zone**, except for one or more of the following permitted **uses**:

- Aerial forest fire fighting facilities;
- Aeronautical instructional services;
- Aeronautical research and development facilities;
- Air ambulance base;
- Air cargo warehousing, distribution and transfer stations;
- Air carrier services;
- Air couriers;
- Aircraft engine manufacturing, assembly, repair and maintenance;
- Aircraft manufacturing, assembly, repair and maintenance;
- Aircraft original equipment manufacturing;
- Air taxi service;
- Air terminal including control towers and refuelling depots;
- Banner towing base;
- Colleges and universities and **accessory** residential **uses** ancillary to the primary aeronautical **uses**;
- **Corporate administrative offices**;
- **Exhibition building**;
- Fixed wing base operations;
- Helicopter related base operations and training facilities;
- Flight training facilities;
- Public and private aeronautical recreational **uses**;
- Public and private hangars; and
- Sale, servicing and leasing of aircraft.

7.2.2 The following **accessory uses** shall be permitted in a MAP-A zone:

- **Accessory office** and business establishments;
- **Accessory day nursery**;
- **Accessory convenience stores**;
- **Accessory restaurants**; and
- **Accessory** car rental agency.

7.2.3 In addition to the above **uses**, the following complementary and **accessory uses** are also permitted in a MAP-A when intended to provide a service to, or when ancillary to, the airport business park:

- Fuelling services
- Outside storage**; and
- Vehicle** repair and maintenance.

7.3 Industrial Air Park – Groundside (MAP-G) Zone

7.3.1 No land, **building** or **structure** shall be **erected** or **used**, or permitted or caused to be **erected** or **used** in any Industrial Air Park - Groundside (MAP-G) **zone**, except for one or more of the following permitted **uses**:

- The **use** of land, **building** or **structure** designed for the purpose of manufacturing, assembling, processing, preparing, inspecting or ornamenting, finishing, treating, altering, repairing, warehousing, storing or adapting for sale any goods, substances or things, where the operations do not involve the emission of air or water pollutants that exceed the standards set by the appropriate Provincial Regulatory Authority. This does not include refineries, mills, foundries, chemical plants or similar heavy industries. It also does not include a mine, **pit**, **quarry** or oil wells;
- Colleges and universities and **accessory** residential **uses** ancillary to the primary aeronautical **uses**;
- **Corporate administrative offices**;
- **Data storage and processing firm** and other compatible information computer technology **uses**;
- **Exhibition building**;
- Industrial equipment sales, service and storage which is ancillary to manufacturing airside or groundside **uses**;
- Metal fabrication and machining;
- Physical testing laboratories;
- Research and development facilities;
- Transportation and communications terminals; and
- **Warehouse** and storage **uses**.

7.3.2 The following **accessory uses** shall be permitted in a MAP-G:

- **Accessory office** and business establishments;
- **Accessory day nursery**;
- **Accessory convenience stores**;
- **Accessory restaurants**; and
- **Accessory** car rental agency.

7.3.3 In addition to the above **uses**, the following complementary and **accessory uses** are also permitted in a MAP-G zone when intended to provide a service to, or when ancillary to, the airport business park:

- Fuelling services;
- **Outside storage**; and
- **Vehicle** repair and maintenance.

7.4 Regulations

7.4.1 In an Industrial Air Park - Airside (MAP-A) **zone** or an Industrial Air Park - Groundside (MAP-G) **zone**, no **building, structure** or land shall be **used**, or permitted or caused to be **used**, and no **building** or **structure** shall be hereafter **erected** or altered, or permitted or caused to be **erected** or altered, except in accordance with the provisions of the *North Bay Airport Zoning Regulations*, C.R.C., c.99 under the *Aeronautics Act* R.S.C. 1985, c. A-2 and, further, in accordance with the provisions of Sections 3, 7.2 and 7.3 contained herein and the following regulations:

Table 7D– **Setback and Other Regulations for Industrial Air Park Properties:**

Zone	Maximum Lot Coverage	Front Yard Setback (m)	Side Yard Setback (m)	Exterior Side Yard Setback (m)	Rear Yard Setback (m)	Other Provisions
MAP-A	75%	10.5	3(1)(2)	3(1)(2)	10.5(2)	(3)(4)(5) (6)(7)
MAP-G	50%	10.5	3(1)	3(1)	10.5	(3)(4)(5) (6)(7)

Special Provisions for Table 7D (**Setbacks and Other Regulations**):

- 1) Except where a **side lot line abuts** a residential, parkland or open space **zone** or a **street** then the **setback** shall be 7.6m.
- 2) Except where the **lot line abuts** a taxiway or runway, then the **setback** shall be 0.
- 3) There shall be no **loading spaces** in, or opening onto, any **side yard** that fronts on a **street** opposite to, or directly **abuts** a residential or rural **zone**.
- 4) A strip of land 1.5m in width along any **lot line abutting** or adjacent to a residential or rural **zone** shall be adequately landscaped.
- 5) Exterior lights and illuminated signs shall be arranged so as to direct light away from any adjacent residential or rural **zone**.
- 6) Where part of the **use** permitted under Table 7C and 7D is carried on outside a **building**, that part of the operation shall not be conducted in the **front yard** and shall be enclosed by adequate screening in the form of **landscaping** or fencing to a height of not less than 2.5m and not greater than the height of the **first storey** of the **main building** on the property. For certainty the *North Bay Airport Zoning Regulations* are specifically deemed to apply to the airport runway and taxiways, so as to limit the **height of buildings** adjacent thereto.
- 7) Notwithstanding all other provisions and standards of this By-law, no permanent **building** or **structure** may be located within 7m of the pipeline **right-of-way**. **Accessory structures** shall have a minimum **setback** of at least 3m from the limit of the **right-of-way**. No **building** or **structure** is permitted within 3m of the **right-of-way**. This does not apply to hydro corridor lands.

Section 8 – Open Space And Parkland Zones

8.1 Permitted Uses:

- 8.1.1

No **person** shall, within any open space or parkland **zone**, **use** or permit or cause the **use** of any land, or **erect**, alter, enlarge, **use** or maintain any **building** or **structure** for any **use** other than as permitted in Table 8A of this section and in accordance with the standards contained in Table 8B of this section. The General Provisions in Section 3 of this By-law also must be met unless otherwise stated.
- 8.1.2

Table 8A of this section outlines **uses** that are permitted in open space and parkland **zones**. Permitted **uses** are denoted by the symbol '**X**' in the column applicable to each **zone** and correspond with the specified **use** identified in the row. A number in brackets immediately following '**X**' indicates that there are special provisions regarding that **use**; these special provisions are listed below the Table.
- 8.1.3

The open space and parkland **zones** are as follows:

Parkland	P
Open Space	O
Floodway	O1
Floodplain and Erosion	O2

Special Provisions for Table 9A (Institutional Zone Permitted Uses):

- 1) A **building accessory** to the primary permitted **use** shall be allowed, provided that it has a **setback** of 7.5m from any **lot line**.
- 2) A **restaurant** shall be permitted as an **accessory use** within the **main building** of the primary permitted **use**.
- 3) A retail **use** shall be permitted as an **accessory use** within the **main building** of the primary permitted **use**.

Section 10 - Rural Zones

10.1 Permitted Uses

10.1.1 No **person** shall, within any rural **zone**, **use** or permit or cause the **use** of any land, or **erect**, alter, enlarge, **use** or maintain any **building** or **structure** for any **use** other than as permitted in Tables 10A – 10D of this section and following all regulations stated within. **Accessory buildings, structures** and **uses** shall adhere to the same standard **zone** regulations as the **primary use** in the **zone**, unless otherwise stated. The General Provisions in Section 3 of this By-law also must be met unless otherwise specified.

10.1.2 Tables 10A and 10D of this section outline non-residential and **accessory uses**, respectively, that are permitted in a rural **zone**. Permitted **uses** are denoted by the symbol 'X' in the column applicable to each **zone** and correspond with the specified **use** identified in the row. Residential **Uses** permitted are listed in Table 10C of this section beside the corresponding **zone** along with the associated regulations. A number in brackets immediately following indicates that there are special provisions regarding that **use**; these special provisions are listed below the Table. Table 10B and 10C of this section list **setbacks** and other regulations that shall be required.

10.1.3 The rural **zones** are as follows:

Special Provisions for Table 10B (Non-Residential Uses and Regulations):

- 1)** A **commercial agriculture use** shall not be located closer than 30m to any **lot line** or inflowing watercourse to Trout Lake or Lake Nipissing, or closer than 90m to any **existing dwelling unit** on an adjoining **lot** or to any rural or urban residential **zone**.
- 2)** Only 10% of the **lot coverage** may be taken up by **buildings** or other **structures** that are not solar energy producing **structures**.
- 3)** 250m shall be the **setback** from any **dwelling unit** or **lot line** per wind turbine that is part of the **wind farm**.
- 4)** 10% **lot coverage** includes the **main building** as well as all **accessory structures, porches**, and covered **decks**.
- 5)** If the **lot** has a shoreline on another side besides the **front yard** then the **setback** shall always be 30m from the shoreline.
- 6)** A strip of land at least 7.5m in width along the property line shall be adequately landscaped to create a **buffer zone**.
- 7)** Limited **outside storage** is permitted in the **front yard** only for the purpose of displaying goods for sale by the owner, excluding a **flea market**.
- 8)** **Outside storage** shall be permitted only for the purpose of storing or parking watercraft and associated trailers, provided that the area **used** for storage is adequately screened and does not impact the visual amenities of the surrounding area.
- 9)** An **additional residential dwelling unit** is not permitted within a non-residential use.
- 10) Backlot or production studio & backlot uses:**
 - i. Shall require a minimum **setback** of 30m from all **lot lines**.
 - ii. No parking or **outside storage** is permitted within 30m of any **lot line** in any **yard**.
 - iii. No **outside storage** is permitted within 30m of any **lot line** in the side or rear **yard**. No **outside storage** is permitted within the **front yard**. All **outside storage** shall be screened in the form of **landscaping** or fencing, to a height of at least 2.5m.
 - iv. **Landscaping:**
 - a) A strip of land at least 3m along the **lot frontage** shall be adequately landscaped.
 - b) The 30m required **setback** shall be landscaped in a manner that creates both a visual and noise **buffer** to adjacent properties, including a variety of trees, shrubs, and hedges.
 - c) All exterior lighting and illuminated signs shall be arranged to face away from adjacent residential, rural, and open space zones and in all cases arranged as to direct the light away from adjacent **lots** (Amended by By-law No. 2023-90).

Special Provisions for Table 10C (Residential *Uses* and Regulations Table):

- 1) For ***lots*** fronting on Trout Lake or lands with frontage on a major watercourse flowing into Trout Lake, as identified on Schedule E of this By-law, a ***vegetative buffer zone*** shall be maintained within 15m of the boundaries of the water's edge of Trout Lake. This shall be done in a way to minimize impact on the waterbody from adjacent ***uses*** and maintain the natural characteristic of the shoreline as much as possible and shall be to the satisfaction of the ***municipality***.
- 2) 10% ***lot coverage*** includes the ***main building*** as well as all ***accessory structures***, however does not include any part of the ***sewage disposal system***.
- 3) Pursuant to the *Planning Act* no ***person*** shall have a ***building*** or ***structure***, unless it contains no openings to the ***building*** or ***structure***, such as a door, window, vent, passageway or any other opening, below the Canadian Geodetic Datum elevation of 202.69m.
- 4) If the ***lot*** has a shoreline on another side besides the ***front yard*** then the ***setback*** shall always be 30m from the shoreline.
- 5) A maximum of one ***accessory dwelling unit*** may be ***attached*** to, or within, the primary ***building*** or may be a ***single detached*** unit that is for the sole ***use*** of an essential worker, caretaker, or the owner/operator.
- 6) A maximum of one ***accessory dwelling unit*** may be located within the ***main building*** and shall be permitted for ***use*** by an essential worker, caretaker, or owner/operator.
- 7) ***Principal Dwelling Unit Short-Term Rentals*** must provide a valid permit of record from the North Bay-Mattawa ***Conservation Authority*** for septic systems, if applicable and that will support the short-term rental premises. (*Amended by By-law 2022-76*)
- 8) ***Additional Rural Residential Dwelling Units*** located in an ***accessory*** structure will be required to follow the regulations in Section 3.20.2.5 and Special Provisions for Table 10D (Accessory Buildings, Structures and Uses).
