

The Corporation of the City of North Bay

By-law No. 2021-03

A By-Law to Authorize the Borrowing from The Toronto-Dominion Bank of the Principal Amount of \$3,995,782.00 towards the Cost of a Certain Capital Work Described in Schedule “A” to this By-law.

Whereas subsection 401 (1) of the *Municipal Act, 2001*, as amended (the “Act”) provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

And Whereas subsection 408 (2.1) of the Act provides that a municipality may issue a debenture or other financial instrument for long-term borrowing only to provide financing for a capital work;

And Whereas subsection 1(1) of the Act provides that “prescribed” means prescribed by regulations made under the Act;

And Whereas section 2 of Ontario Regulation 276/02, as amended (the “Regulation”) in part provides that a municipality may enter into a bank loan agreement for the purpose of long-term borrowing and, as a consequence, a bank loan agreement that complies with the provisions of the Regulation constitutes a prescribed financial agreement for purposes of subsection 401(1) of the Act;

And Whereas subsection 2(2) of the Regulation provides that a by-law authorizing a bank loan agreement shall provide for repayment of the principal and the interest on the unpaid balance in one or more instalments in each year and paragraph 5 of section 5 of the Regulation provides that a by-law authorizing a bank loan agreement shall provide for the raising in each year as part of the general local municipality levy the amounts of principal and interest payable in each year under the by-law to the extent that the amounts have not been provided for by other taxes or by fees or charges imposed on persons or property by a by-law of any municipality and may provide for instalments of combined principal and interest;

And Whereas subsection 4(1) of the Regulation provides that a municipality shall not enter into a bank loan agreement unless the agreement sets out: (a) the amount of money to be borrowed; and (b) a fixed rate of interest, unless otherwise permitted by the Regulation. Subsections 4(2), 4(3) and 4(4) of the Regulation further provide that: a municipality shall not enter into a bank loan agreement that provides for the giving of any security by the municipality for the debt; a municipality shall not enter into a bank loan agreement unless the bank loan agreement provides that the agreement shall not be assigned without the prior written consent of the municipality; and a municipality shall not enter a bank loan agreement unless the bank loan ranks concurrently and equally in respect of payment of principal and interest with all other bank loans and debentures of the municipality;

And Whereas the Council of The Corporation of the City of North Bay (the “Municipality”) has passed the By-laws enumerated in column (1) of Schedule “A” attached hereto and forming part of this By-law authorizing and otherwise dealing with the capital work described in column (2) of Schedule “A” (the “Capital Work”), the Municipality authorized long-term borrowing through the issue of debentures for the Capital Work in the principal amount of \$3,900,000.00 and the Municipality thereafter issued debentures in the principal amount of \$3,600,000.00 in the name of Ontario Infrastructure and Lands Corporation on December 16, 2013 for the Capital Work pursuant to By-law No. 2013-223;

And Whereas the Municipality in 2012 entered into an agreement with North Bay Battalion Hockey Club Ltd. (formerly named Brampton Battalion Hockey Club Ltd.) under which North Bay Battalion Hockey Club Ltd. agreed, among other things, to lend the principal amount of \$5,000,000.00 as a non-interest bearing loan to the

Municipality for the Capital Work over an initial term that will expire on June 30, 2028 (subject to extension for 2 additional 5 year terms) on the terms and conditions described therein (the "Original Loan");

And Whereas the Municipality has determined that it is in the interests of the Municipality to repay the current outstanding principal amount of the Original Loan, in the amount of \$3,995,782.00, pursuant to a 15 year interest bearing loan that the Municipality will obtain from The Toronto-Dominion Bank (the "Bank") at the current prevailing low interest rates pursuant to a bank loan agreement in compliance with the Regulation;

And Whereas the Municipality and the Bank have agreed on the terms and conditions of a bank loan agreement, dated February 9, 2021, which agreement provides for: (a) the borrowing of the principal amount of \$3,995,782.00 over a term of 15 years; (b) a fixed rate of interest of •% per annum; and (c) instalments of combined principal and interest payable monthly in lawful money of Canada on the terms set forth therein (the "TD Loan") in compliance with the Regulation, in the form attached hereto as Schedule "B" (the "Agreement");

And Whereas before authorizing the TD Loan and the entering into of the Agreement, the Council of the Municipality had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation and, prior to the Council of the Municipality authorizing the TD Loan and the entering into of the Agreement, the Treasurer determined that the estimated annual amount payable in respect of the TD Loan and the Agreement would not cause the Municipality to exceed the updated limit and that the approval of the TD Loan and the entering into of the Agreement by the Local Planning Appeal Tribunal pursuant to such regulation was not required.

Now, Therefore, the Council of The Corporation of the City of North Bay Enacts as Follows:

1. That the TD Loan and the entering into of the Agreement are hereby authorized.
2. That the TD Loan shall bear interest from February 11, 2021 at the rate of •% per annum payable in accordance with the amortization schedule set forth in Schedule "C" attached hereto and forming part of this By-law ("Schedule "C"), by monthly instalments of combined principal and interest payable on such days of each month in each year of the currency of the TD Loan as are set out in Schedule "C".
3. That payments in respect of principal of and interest on the TD Loan shall be made only on a Business Day as set out in the Agreement (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day.
4. That in each year in which payments of monthly instalments of combined principal and interest become due in respect of the Capital Work, there shall be raised as part of the Municipality's general levy the amounts of principal and interest payable by the Municipality in each year as set out in Schedule "C" to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
5. That the entering into of the Agreement and the incurring of the debt in respect of the Capital Work by the Mayor and the Treasurer by way of the TD Loan are hereby ratified, confirmed and approved, one or more of the City Clerk and Treasurer are hereby authorized to generally do all things and to execute all other documents and other papers in the name of the Municipality in order to enter into the Agreement and to proceed with the TD Loan and the Treasurer or the City Clerk, as the case may be, is authorized to affix the Municipality's municipal seal to any of such documents and papers.

6. That the money received by the Municipality from the TD Loan and any earnings derived from the investment of that money, after providing for the expenses related to the incurring of the TD Loan, if any, shall be paid to the North Bay Battalion Hockey Club Ltd. on the basis that such money will be applied to the repayment of the outstanding principal amount of the Original Loan in respect of the Capital Work.
7. That this By-law shall come into force and take effect on the date it is passed.

Read a First Time in Open Council this 9th Day of February, 2021.

Read a Second Time in Open Council this 9th Day of February, 2021.

SCHEDULE A – STANDARD TERMS AND CONDITIONS

1. INTEREST RATE DEFINITIONS

Prime Rate means the rate of interest per annum (based on a 365 day year) established and reported by the Bank to the Bank of Canada from time to time as the reference rate of interest for determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness in Canada for Canadian dollar loans made by it in Canada.

The Stamping Fee rate per annum for CDN\$ B/As is based on a 365 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance. The Stamping Fee rate per annum for US\$ B/As is based on a 360 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance.

CDOR means, for any day, the annual rate for B/As denominated in Canadian Dollars for a specified term that appears on the Reuters Screen CDOR Page as of 10:00 a.m. (Toronto time) on such day (or, if such day is not a Business Day, then on the immediately preceding Business Day).

If Prime Rate, CDOR or any other applicable base rate is less than zero, such base rate shall be deemed to be zero for purposes of this Agreement.

Any interest rate based on a period less than a year expressed as an annual rate for the purposes of the Interest Act (Canada) is equivalent to such determined rate multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the period upon which it was based.

2. INTEREST CALCULATION AND PAYMENT

Interest on Prime Based Loans is calculated daily (including February 29 in a leap year) and payable monthly in arrears based on the number of days for which the subject loan is outstanding unless otherwise provided in the Rate and Payment Terms Notice. Interest is charged on February 29 in a leap year.

The Stamping Fee is calculated based on the amount and the term of the B/A and is payable upon acceptance by the Bank of the B/A. The net proceeds received by the Borrower on a B/A advance will be equal to the Face Amount of the B/A discounted at the Bank's then prevailing B/A discount rate for CDN\$ B/As or US\$ B/As as the case may be, for the specified term of the B/A less the B/A Stamping Fee. If the B/A discount rate (or the rate used to determine the B/A discount rate) is less than zero, it shall instead be deemed to be zero for purposes of this Agreement.

The Borrower shall pay to the Bank the Face Amount of the B/A at the maturity date of the B/A.

Interest on CDOR Loans is calculated and payable on the earlier of contract maturity or quarterly in arrears, for the number of days in the CDOR interest period.

L/C and L/G fees are payable at the time set out in the Letter of Credit Indemnity Agreement applicable to the issued L/C or L/G.

Interest on COF Based Loans is compounded monthly and payable monthly in arrears unless otherwise provided in the Letter or Rate and Payment Terms Notice.

Interest is payable both before and after maturity or demand, default and judgment.

Each payment under this Agreement shall be applied to any indebtedness or amounts owing in any order at the sole discretion of the Bank.

All overdue amounts of principal and interest and all amounts outstanding in excess of the Credit Limit shall bear interest from the date on which the same became due or from when the excess was incurred, as the case may be, until the date of payment or until the date the excess is repaid at the Bank's standard rate charged from time to time for overdrafts, or such lower interest rate as the Bank agrees to in writing. Nothing in this clause shall be deemed to authorize the Borrower to incur loans in excess of the Credit Limit.

If any provision of this Agreement would oblige the Borrower to make any payment of interest or other amount payable to the Bank in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Bank of "interest" at a "criminal rate" (as such terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by the Bank of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows: first, by reducing the amount or rate of interest, and, thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the Bank which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

3. DRAWDOWN PROVISIONS

Prime Based Loans

There is no minimum amount of drawdown by way of Prime Based Loans unless otherwise provided herein. The Borrower shall provide the Bank with 3 Business Days' notice of a requested Prime Based Loan over \$10,000,000.

B/As

The Borrower shall advise the Bank of the requested term or maturity date for B/As issued hereunder. The Bank shall have the discretion to restrict the term or maturity dates of B/As. In no event shall the term of the B/A exceed the Contractual Term Maturity Date. The minimum amount of a drawdown by way of B/As is \$1,000,000 and in multiples of \$100,000 thereafter. The Borrower shall provide the Bank with 3 Business Days' notice of a requested B/A drawdown.

The Borrower appoints the Bank as its attorney to and authorizes the Bank to (i) complete, sign, endorse, negotiate and deliver B/As on behalf of the Borrower in handwritten form, or by facsimile or mechanical signature or otherwise, (ii) accept such B/As, and (iii) purchase, discount, and/or negotiate B/As.

CDOR

The Borrower shall advise the Bank of the requested CDOR contract maturity or interest period. The Bank shall have the discretion to restrict the CDOR contract maturity. In no event shall the term of the CDOR contract exceed the Contractual Term Maturity Date. The minimum amount of a drawdown by way of a CDOR Loan is \$1,000,000, and shall be in multiples of \$100,000 thereafter. The Borrower will provide the Bank with 3 Business Days' notice of a requested CDOR Loan.

L/C and/or L/G

The Bank shall have the discretion to restrict the maturity date of L/Gs or L/Cs.

B/A and CDOR - Conversion

Any portion of any B/A or CDOR Loan that is not repaid, rolled over or converted in accordance with the applicable notice requirements hereunder shall be converted by the Bank to a Prime Based Loan effective as of the maturity date of the B/A or the last day in the interest period of the CDOR contract, as applicable. The Bank may charge interest on the amount of the Prime Based Loan at the rate of 115% of the rate applicable to Prime Based Loans for the 3 Business Day period immediately following such maturity. Thereafter, the rate shall revert to the rate applicable to Prime Based Loans.

B/A and CDOR – Market Disruption

If the Bank determines, in its sole discretion, that a normal market in Canada for the purchase and sale of B/As or the making of CDOR Loans does not exist, any right of the Borrower to request a drawdown under the applicable borrowing option shall be suspended until the Bank advises otherwise. Any drawdown request for B/As or CDOR Loans, as applicable, during the suspension period shall be deemed to be a drawdown notice requesting a Prime Based Loan in an equivalent amount.

Cash Management

The Bank may, and the Borrower hereby authorizes the Bank to, drawdown under the Operating Facility to satisfy any obligations of the Borrower to the Bank in connection with any cash management service provided by the Bank to the Borrower. The Bank may drawdown under the Operating Facility even if the drawdown results in amounts outstanding in excess of the Credit Limit.

Notice

Prior to each drawdown under a Cost of Funds Based Loan and at least 10 days prior to each Rate Term Maturity, the Borrower will advise the Bank of its selection of drawdown options from those made available by the Bank. The Bank will, after each drawdown, other than drawdowns by way of B/A or CDOR Loan or under the Operating Facility, send a Rate and Payment Terms Notice to the Borrower.

These changes can be made by the Bank providing written notice to the Borrower of such changes in the form of a specific waiver or a document constituting an amending agreement. The Borrower is not required to execute such waiver or amending agreement, unless the Bank requests the Borrower to sign such waiver or amending agreement. A change in the Prime Rate is not an amendment to the terms of this Agreement that requires notification to be provided to the Borrower.
- b) Changes to the Agreement, other than as described in (a) above, including but not limited to, changes to covenants and interest payable by the Borrower, are required to be agreed to by the Bank and the Borrower in writing, by the Bank and the Borrower each signing an amending agreement.

- ii. any reserve, special deposit, regulatory or similar requirement against assets, deposits, or loans or other acquisition of funds for loans by the Bank; or,
- iii. the amount of capital required or expected to be maintained by the Bank as a result of the existence of the advances or the commitment made hereunder;

and the result of such occurrence is, in the sole determination of the Bank, to increase the cost to the Bank or to reduce the income received or receivable by the Bank hereunder, the Borrower shall, on demand by the Bank, pay to the Bank that amount which the Bank estimates will compensate it for such additional cost or reduction in income and the Bank's estimate shall be conclusive, absent manifest error.

17. EXPENSES

The Borrower shall pay all fees and expenses (including but not limited to all legal fees) incurred by the Bank in connection with the negotiation, preparation, registration and the initial and ongoing administration of this Agreement and with the enforcement of the Bank's rights and remedies under this Agreement, whether or not any amounts are advanced under the Agreement. These fees and expenses shall include, but not be limited to, the fees and expenses of any agents hired by the Bank to perform searches of the Borrower and/or any of its properties, together with any additional fees charged by the Bank, all fees and expenses of undertaking audits of the Borrower, all outside counsel fees and expenses, all in-house legal fees and expenses, if in-house counsel are used (including with respect to advising the Bank as to the negotiation of this Agreement, its rights and responsibilities under this Agreement, advising on waivers and covenants and amendments, and advising the Bank after failure by the Borrower to perform or observe any of its obligations hereunder), and all professional advisory fees and expenses. Without limiting the generality of Section 26, the Bank or the Bank's agent, is authorized to debit any of the Borrower's accounts with the amount of the fees and expenses owed by the Borrower hereunder, even if that debiting creates an overdraft in any such account. If there are insufficient funds in the Borrower's accounts to reimburse the Bank or its agent for payment of the fees and expenses owed by the Borrower hereunder, the amount debited to the Borrower's accounts shall be deemed to be a Prime Based Loan under the Operating Facility.

The Borrower will, if requested by the Bank, sign a Pre-Authorized Payment Authorization in a format acceptable to the Bank to permit the Bank's agent to debit the Borrower's accounts as contemplated in this Section.

18. INDEMNITY

The Borrower hereby indemnifies the Bank, its affiliates, and each of their officers, directors, employees, agents, advisors and shareholders, and agrees to hold each of them harmless from all loss, claims, damages and expenses (including legal and audit expenses) which may be suffered or incurred in connection with the Bank having entered into this Agreement, or a breach by the Borrower of any representation, warranty, or covenant under this Agreement. In no event will the Bank be liable to the Borrower for any direct, indirect or consequential damages arising in connection with this Agreement.

19. CURRENCY INDEMNITY

US\$ loans (including B/As and L/Cs and L/Gs) must be repaid with US\$ and CDN\$ loans (including B/As and L/Cs and L/Gs) must be repaid with CDN\$ and the Borrower shall indemnify the Bank for any loss suffered by the Bank if US\$ loans (including B/As and L/Cs and L/Gs) are repaid with CDN\$ or vice versa, whether such payment is made pursuant to an order of a court or otherwise.

20. NON WAIVER

Any failure by the Bank to object to or take action with respect to a breach of this Agreement or upon the occurrence of an Event of Default shall not constitute a waiver of the Bank's right to take action at a later date on that breach. No course of conduct by the Bank will give rise to any reasonable expectation which is in any way inconsistent with the terms and conditions of this Agreement or the Bank's rights hereunder.

21. EVIDENCE OF INDEBTEDNESS

The Bank shall record on its records the amount of all advances (including B/As) made hereunder, L/Cs and L/Gs issued at the request of the Borrower, payments made in respect thereto, and all other amounts becoming due to the Bank under this Agreement. The Bank's records constitute, in the absence of manifest error, conclusive evidence of the indebtedness of the Borrower to the Bank pursuant to this Agreement.

The Borrower will sign a Letter of Credit Indemnity Agreement for all L/Cs and L/Gs issued by the Bank.

22. ENTIRE AGREEMENT

This Agreement, and if applicable, the Letter of Credit Indemnity Agreement for L/Cs and L/Gs, constitute the entire agreement between the parties relating to the Facilities described in this Agreement, and cancel and supersede any previous agreements dealing specifically with the Facilities including any previous letter agreements or term sheets. The Bank shall then be entitled to calculate a net termination value for all of the terminated FX Contracts which shall be the net sum of all the losses and gains arising from the termination of the FX Contracts which net sum shall be the "Close Out Value" of the terminated FX Contracts. The Borrower acknowledges that it shall be required to forthwith pay any positive Close Out Value owing to the Bank and the Bank shall be required to pay any negative Close Out Value owing to the Borrower, subject to any rights of set-off to which the Bank is entitled or subject.

26. SET-OFF

In addition to and not in limitation of any rights now or hereafter granted under applicable law, the Bank may at any time and from time to time without notice to the Borrower or any other Person, any notice being expressly waived by the Borrower, set-off and compensate and apply any and all deposits, general or special, time or demand, provisional or final, matured or unmatured, in any currency, and any other indebtedness or amount payable by the Bank (irrespective of the place of payment or booking office of the obligation), to or for the credit of or for the Borrower's account, including without limitation, any amount owed by the Bank to the Borrower under any FX Contract or other treasury or derivative product, against and on account of the indebtedness and liability under this Agreement, including any amounts owed for fees and costs and expenses, notwithstanding that any of them are contingent or unmatured or in a different currency than the indebtedness and liability under this Agreement.

When applying a deposit or other obligation in a different currency than the indebtedness and liability under this Agreement, to the indebtedness and liability under this Agreement, the Bank will convert the deposit or other obligation to the currency of the indebtedness and liability under this Agreement using the exchange rate determined by the Bank at the time of the conversion.
