AND WHEREAS the estimated lifetime of the said work is thirty years.

AND WHEREAS it is necessary to borrow the said sum of 22.010.001 \$28,317.10 on the credit of the Corporation, and to issue debentures therefor bearing interest at the rate of six per cent per annum, which is the amount of the debt intended to be created by this Py-law.

AND WHEREAS it is expedient to make the whole of the said better any sums during the said period of thirty years of such respective amounts that the aggregate amount payable for principal and interest in any year, shall be equal, as nearly as may be, to the amount so payable for principal and interest in each of the other years.

AND WHEREAS it will be necessary to raise annually 1918.06

the sum of \$2057.21, during the period of thirty years, to pay the said yearly sums of principal and interest, as they become 1625.10

due, of which \$1326.32 is required to pay the Corporation's 292.82

portion of the costs and interest thereon and \$730.89 is required to pay the owners' portion of the costs and interest thereon.

and whereas the amount of the whole rateable property of the said Municipality, according to the last Revised Assessment Roll, is \$6,048,005.00

AND WHEREAS the amount of the existing debenture debt of the Corporation, exclusive of the Local Improvement 525,245. %/
Debts, secured by special rates of assessments, is \$568,170.64 and no part of the principal or interest is in arrears.

AND WHERMAS the Local Boardof Health has reported in writing that it is of opinion that it is necessary in the interests of the Public Health that the Sanitary Sewerage system at present existing in the said Town, should be extended, for which the plans, specifications, and application have been approved of by the Provincial Board of Health, being as follows;

"We hereby certify that the Council of the Corporation of North Bay have submitted to this Board, plans, specifications, and an application for the approval of the following sewers (as per Schedule "A" attached to this by-law) and that this Board has inquired into and reported upon the work to be undertaken, as to whether the same is calculated to meet the sanitary requirements of the inhabitants affected thereby, and as to whether such works are likely to prove prejudicial to the health of the inhabitants of the Municipality or of any other Municipality liable to be affected thereby, and that the construction of the said works has been approved by the Board."

BE IT ENACTED and it is therefore hereby enacted by The Municipal Council of the Corporation of the Town of North Bay, as follows:-

- THAT for the purpose aforesaid, there shall be borrowed as a continuous on the credit of the Corporation at large the sum of \$28,317.10 and debentures shall be issued therefor in sums of not less than One Hundred dollars each, bearing interest at the rate of six per cent per annum, and having coupons attached thereto for the payment of the interest.
- The debentures shall all bear the same date, and shall be issued within one year after the day on which this bylaw is passed, and may bear any date within such year and shall be payable twitted annual instalments during the thirty years next after the time when the same are issued, and the respective amounts of principal and interest payable in each of such years shall be as follows;
