The Director of Safety will review the Parade Safety Policy (Rules & Regulations). At that time, each safety person will receive a fluorescent safety vest for visibility along the route.

A refundable deposit of \$15.00 per vest is required. Please send this with the safety people to the meeting. Cheques should be made payable to **"North Bay and Area Parade Committee"**. (The deposit is refunded upon return of the safety vests.) If a cheque is not possible, we can take a cash deposit. Change will not be available.

5. There **must be two trained safety people present** with each float when the parade begins.
6. Safety people wearing vests cannot hand out candy or giveaway items on the parade route.
7. Parade participants are not allowed to throw candy along the parade route as this presents a safety hazard to those who may run into the path of a vehicle when retrieving thrown candy.

Any violation of this regulation will result in the entry's disqualification from parade judging as well as immediate removal from the parade and possibly from future parades.

16. A marching band or walking group will lead the parade to ensure a steady moderate pace for safety.
17. **All entries must provide proof of liability insurance with "The Corporation of The City of North Bay" named as an additional insured with coverage of \$5 million liability.
