Due Date: Sunday June 1, 2025

Contact: publicart@northbay.ca

Project Description

The Corporation of the City of North Bay in partnership with the City of North Bay's Public Art Advisory Committee (PAAC) is seeking artists and designers to submit digitally created images or high-quality scans of original artwork. Submissions must be in a digital format and will be used to vinyl wrap lamp posts located at the All-Wheel Park (Downtown North Bay). **Twelve successful art submissions will be selected for this project.**

Artists are highly encouraged to create a colourful, energetic and vibrant street art design while considering the location, surroundings and users of the All-Wheel Park.

The artist is responsible for the design only. Printing and installation will be handled by the City of North Bay.

Artist Fee

The successful applicant will receive \$500 for their artwork.

Purpose

To strengthen the prominence of public art within high pedestrian traffic areas, provide an opportunity to recognize local and regional artists and improve beautification within the City of North Bay.

Risk and Responsibility

Artists should understand that the finished work will be installed onto the lamp posts located at the All-Wheel Park which may require eventual repair or replacement due to the elements. Therefore, the City of North Bay cannot guarantee the duration of the work's display or be responsible for any damages or modifications of the artwork due to required maintenance and wear and tear. Artists should also be aware that public artwork can be a target for vandalism. The City of North Bay cannot guarantee that

vandalized works will be repaired, restored, or replaced as this is dependent on available funding. Artists must accept the risk that their artwork may be removed if damage and/or vandalism occur at the city's discretion.
