1. That storm and sanitary sewers be constructed on the streets described in Schedule "A" which schedule is attached hereto and forms part of this by-law.
2. That the Engineering Department of the City of North Bay be instructed to make all necessary plans, profiles and specifications forthwith, and to furnish such information as may be necessary for the making of a contract for the execution of the work, or for the carrying on of the work by day labour.
3. That the work shall be carried on under the superintendence and according to the directions and orders of the Engineering Department of the City of North Bay.
4. That the Council may decide by resolution to carry on and execute the work by day labour.
5. That in the absence of a resolution by Council that the work be carried on and executed by day labour, the Mayor and Clerk are hereby authorized to enter into a contract with some person or persons, firm or Corporation for the construction of the work, subject to the approval of the Council by resolution.
6. That the Treasurer may, subject to approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending completion of such work.
7. That debentures to be issued when the work is completed to pay for the cost of such work, shall bear interest at such rate as the Council may determine, and shall be made payable within fifteen years on the instalment plan.
8. That this by-law shall not become effective until approval in writing has been secured from the Ontario Municipal Board pursuant to Section ~~66~~ ~~386~~ section 1, of the Ontario Municipal Board Act, (R.S.O. 1950, Chapter 262).
