## Appendix 'A' – General GCIP Requirements

All of the incentive programs contained in this CIP are subject to the following general requirements as well as the individual requirements specified under each incentive program. The general and program specific requirements contained in this CIP are not necessarily exhaustive, and the City reserves the right to include other requirements and conditions as deemed necessary on a property-specific basis:

- a) In the Industrial Target Area, the proposed redevelopment, rehabilitation of an existing industrial building in a M1, M2, M3, M4, MBP, MR, MAP-A or MAP-G zone through Zoning By-law No. 2015-30, as amended, must include a minimum of a 25% increase in useable floor space or have a substantial increase in employment;
- b) An application for any financial incentive program contained in this CIP:
  - i) Can be made only for development, redevelopment, rehabilitation, and/or adaptive reuse of a building or property within the identified target areas of this CIP;
  - ii) Must be submitted to the city prior to the commencement of any works to which the incentive program will apply and prior to the application for a building permit; and
  - iii) Must include plans, drawings, studies, reports, cost and/or other studies, details and information as may be required by the City to satisfy the City with respect to project eligibility, design, performance, and conformity with the CIP.
- c) Review and evaluation of an application and supporting materials against program eligibility requirements will be done by City staff and the Chair of Community Services (hereinafter "Review Team"), who will make the decision to approve, deny or defer the application;
- d) Eligibility will be based on the allocated funds to the CIP, and the applications will be dealt with on a first come first serve basis. Applicants may receive partial funding, if the remaining funds cannot meet the request of the applicant;
- e) Applicants applying under this CIP cannot apply for a tax increment grant program under any other applicable CIP or similar incentives. Properties which are located in multiple target areas can only apply for incentives in one target area for the lifetime of this plan;

- f) As a condition of approval, the applicant may be required to enter into a Grant Agreement with the City. This Agreement will specify the terms, duration, and default provisions of the incentive to be provided. This Agreement is also subject to approval by Council or Council's designate;
- g) The City reserves the right to audit the cost of any and all works that have been approved under any of the financial incentive programs, at the expense of the applicant;
- h) The City is not responsible for any costs incurred by an applicant in relation to any of the programs, including without limitation, costs incurred in anticipation of a grant;
- i) If the applicant is in default of any of the general or program specific requirements, or any other requirements of the City, the approved grant may be delayed, reduced or canceled, and the applicant may be required to repay part or all of the approved grant;
- j) The applicant will have one (1) year from the time of approval of the application to submit the required information to receive their grant payment. The applicant may apply for an extension in writing; the Review Team has the authority on behalf of Council to grant extensions. Failure to meet the one (1) year requirement, and where no extensions have been given, the application will be deemed to have been denied and no grants will be given;
- k) The City may discontinue any of the programs contained in the CIP at any time, but applicants with approved grants will still receive said grant, subject to meeting the general and program-specific requirements in the allotted time;
- l) Proposed land uses must be in conformity with the Official Plan, Zoning By-law and other planning requirements and approvals;
- m) All proposed works approved under the incentive programs shall conform to provincial laws and City guidelines, by-laws, policies, procedures, and standards;
- n) All works completed must comply with the description of the works as provided in the application form and contained in the grant agreement, if required, with any amendments as approved by the City;
- o) All construction and improvements made to buildings and/or land shall be made pursuant to a Building Permit, and/or other required permits, and constructed in accordance with the Ontario Building Code and all applicable zoning requirements and planning approvals;
- p) Where required by the City, outstanding work orders, and/or orders or requests to comply, and/or other charges from the City must be satisfactorily addressed prior to grant approval or payment;

- q) The property subject to GCIP application, and any other property and/or properties linked to the applicant and/or property owner (s), must be in good standing at the time of application and throughout the entire length of the grant commitment, including but not limited to property taxes, status of Building Permit (s), zoning, etc.;
- r) City staff, officials, and/or agents may inspect any property that is the subject of an application for any of the incentive programs offered by the City;
- s) The total of all grants and tax assistance provided in respect of the particular lands and buildings for which an applicant is making the application under the programs contained in this CIP and any other applicable CIPs shall not exceed the eligible costs of the improvements to those particular lands and buildings under all applicable CIPs;
- t) An approved application permits City Staff, Officials and/or agents of the City the right to announce approved financial grants once the work has commenced or as agreed upon by the City and the applicant; and
- u) Proponent agrees to provide annual reporting documentation for the entirety of their tax increment period (four (4) years).
