

The Corporation of the City of North Bay

By-law No. 2018-52

A By-law to Delegate Authority to the Outgoing Council to Pass By-laws(s) to Authorize the Issue of Debentures for Capital Works

Whereas section 5 of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, (the “Act”) provides that a municipal power shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

And Whereas subsection 401 (1) of the Act provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

And Whereas subsection 275 (1) of the Act provide that the council of a municipality shall not take any action described in subsection 275 (3) of the Act after the first day during the election for a new council on which it can be determined that one of the following applies to the new council that will take office following the election:

1. If the new council will have the same number of members as the outgoing council, the new council will include less than three-quarters of the members of the outgoing council.
2. If the new council will have more members than the outgoing council, the new council will include less than three-quarters of the members of the outgoing council or, if the new council will include at least three-quarters of the members of the outgoing council, three-quarters of the members of the outgoing council will not constitute, at a minimum, a majority of the members of the new council.
3. If the new council will have fewer members than the outgoing council, less than three-quarters of the members of the new council will have been members of the outgoing council or, if at least three-quarters of the members of the new council will have been members of the outgoing council, three-quarters of the members of the new council will not constitute, at a minimum, a majority of the members of the outgoing council;

And Whereas subsection 275 (3) of the Act provides that the actions referred to in subsection 275 (1) of the Act are,

- (a) the appointment or removal from office of any officer of the municipality;
- (b) the hiring or dismissal of any employee of the municipality;
- (c) the disposition of any real or personal property of the municipality which has a value exceeding \$50,000 at the time of disposal; and
- (d) making any expenditures or incurring any other liability which exceeds \$50,000.

And Whereas subsection 275 (4) of the Act provides that clauses 275 (3) (c) and 275 (3) (d) do not apply if the disposition or liability was included in the most recent budget adopted by the council before the nomination day in the election;

And Whereas subsection 275 (6) of the Act provides that nothing in section 275 prevents any person or body exercising any authority of a municipality that is delegated to the person or body prior to the nomination day for the election of the new council;

And Whereas the council of the The Corporation of the City of North Bay (the “Council”) has authorized various capital works of the The Corporation of the City of North Bay and the issue of debentures therefor (individually a “Capital Work”, collectively the “Capital Works”) and desires to issue debentures for the Capital Works in the maximum principal amount of \$15,615,700 which represents the amount of unissued long-term debt for such Capital Works under the authority of the 2017 and the 2018 Capital Budgets;

And Whereas there is concern that a determination may be made under subsection 275(1) of the Act based on which the Council shall not take any action described in subsection 275(3) of

the Act after the first day during the election for a new Council unless the Council has delegated authority in accordance with subsection 275(6) of the Act, it is now deemed expedient, before such day, for the outgoing Council to authorize long-term borrowing through one or more issues of debentures for any one or more of the Capital Works in the maximum principal amount of \$15,615,700 provided that the principal amount of debentures to be issued in respect of any Capital Work does not exceed the amount approved to be financed through the issue of debentures for such Capital Work, provided that the term of years of the debentures issued for any such Capital Work does not exceed the lesser of the useful life of the Capital Work and the term of 10 years, and provided that the debentures will be issued with an annual interest rate that does not exceed 4.5% per annum;

And Whereas by Resolution No. 2018-___ passed by Council at its Regular Meeting held on July 17, 2018, Council approved a By-Law to delegate authority to the outgoing Council to pass a By-Law to authorize the issue of debentures for capital works of the City of North Bay.

Now, Therefore, the Council of The Corporation of the City of North Bay Hereby Enacts as Follows:

1. That in the event that a determination is made under subsection 275(1) of the Act based on which the Council is prohibited from taking any action described in subsection 275(3) of the Act, at any time after July 27, 2018 being the first day during the election for a new Council and before the new Council takes office following the election on December 3, 2018 (the "Period"), the outgoing Council is hereby authorized to pass a by-law or by-laws, as the case may be, to authorize long-term borrowing through one or more issues of debentures in respect of any one or more of the Capital Works and the outgoing Council is hereby authorized during the Period to pass any by-laws to authorize one or more issues of debentures in respect thereof in the maximum principal amount of \$15,615,700 (the "Debentures"), provided that the term of years of the Debentures to be issued for any such Capital Work does not exceed the lesser of the useful life of the Capital Work and 10 years, and provided that the Debentures will be issued with an annual interest rate that does not exceed 4.5% per annum. For purposes of fulfilling the obligations of The Corporation of the City of North Bay in respect of the Debentures, The Corporation of the City of North Bay shall, in accordance with the Act, provide for raising in each year as part of the general levy, the amounts of principal and interest payable in each year under the Debentures, to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
2. That in the event that a determination is made under subsection 275(1) of the Act based on which the Council is prohibited from taking any action described in subsection 275(3) of the Act, at any time during the Period, any one or more of the Mayor or Deputy Mayor, as the case may be, and the Treasurer are hereby authorized to cause the Debentures to be issued, the Clerk and the Treasurer are hereby individually or jointly authorized to generally do all things and to execute all other documents and papers in the name of The Corporation of the City of North Bay in order to carry out the issuance of the Debentures, and the Treasurer is authorized to affix The Corporation of the City of North Bay's municipal seal to any such documents and papers.
